We invite the public to comment on the proposed revisions to the Delaware Wildlife regulations (7 DE Admin. Code 3900). The public comment period will be open through Jan. 12, 2024.

We propose to make changes to 19 subsections of the regulations that pertain to the management and conservation of wildlife including activities involving hunting, trapping, fishing, nuisance wildlife control work and activities authorized on Division-owned lands.

For additional information, including how to comment on the proposed changes: [https://dnrec.alpha.delaware.gov/\\_/public-hearing\\_/](https://dnrec.alpha.delaware.gov/_/public-hearing_/)
