SUBJECT: Technical Response Memorandum – Docket #2023-R-WH-0006 Underground Storage Tank Systems and Docket #2023-R-WH-0007 Aboveground Storage Tank Systems

On August 30, 2023, the Division of Waste and Hazardous Substances held a virtual hearing on proposed changes to the Underground Storage Tank Systems regulations, Docket #2023-R-WH-0006 and the Aboveground Storage Tank regulations, Docket Number #2023-R-WH-0007. One written statement was received through electronic mail. The comment was broad in nature and requested information on the regulatory applicability of the proposed regulations regarding gas stations. The Department reached out to the commenter to provide regulatory assistance that was unrelated to the proposed amendments.
