Subject: UST and AST Regulatory Workshop Scheduled

Hello,
As an Interested Party, we are informing you of the upcoming workshop to discuss changes to *Regulations Governing Underground Storage Tank Systems and Aboveground Storage Tanks*. Click on the link below and scroll down to “Amending the Underground Storage Tank Regulations” section of the page, then click on the blue box on the right side of the screen labeled “Public Workshop 6/13/23” and learn how you can attend virtually or in person.

<https://dnrec.alpha.delaware.gov/waste-hazardous/regulations/>

Let me know if you have any questions. Looking forward to seeing you on the 13th!
Eileen
