Comments on Docket #2024-P-MULTI-0007 -- US Wind Project

Name: Anita Battista
Phone: 4102795988
Email Address: nurseprof@comcast.net
Organization: No

Comments:

I would expect more investigation into the terrible effects of windmills and the building and maintaining id them in our environment and our ocean and shore life. Also the FACT that it is jot green energy but uses oil to run the windmills. This is an environmental FAIL. Please reconsider ruining our natural wonder - the ocean for this. I stand again windmills!

Anita Battista, RN, MS, BS, ASN
