Comments on Docket #2024-P-MULTI-0007 -- US Wind Project

Name: Brian kucharski
Phone: +13027663902
Email Address: balancer@live.com
Organization: No

Comments:

I am a lifelong Delawarean . I am completely opposed to the wind project . The cost and destruction of habitat that this project will run is not sensible . This amount of electricity come at too high of a cost both financially and environmentally . I would like this project scrapped . There are better economically and environmentally such as hydrogen power right around the corner . I am opposed to giving up 3 rs beach to land the offshore cables
