Comments on Docket #2024-P-MULTI-0007 -- US Wind Project

Name: Calhoun Bond, Jr

Phone: 9193044161

Email Address: bondc@greensboro.edu

Organization: Cotton Patch Hills HOA

### Comments:

The US Wind project includes a cable channel just north of the channel leading to Beach Cove, which contains several marinas and access for the Bethany Beach Volunteer Fire Department. The Beach Cove entrance channel was last dredged in the eighties, and it is already quite shallow at all tides. It thus seems likely that the cable dredging operations by US Wind would disrupt access to Beach Cove. Please allow for planning to assure continued or even improved access to Beach Cove as part of the US Wind project's onshore installations. Thank you.
