### Comments:

I would like to register my objection to the placement of wind turbines off the Delaware Coast. I am absolutely opposed to it. And if I am given the opportunity to object with my vote, I will definitely do so whether it be for a candidate who is proposing these wind turbines or a referendum. New Jersey rejected the Wind Farm and Ocean City MD rejected it and Delaware should too. They ultimately will destroy the environment and they do nothing to help the economy. Thank you Respectfully Denise Folliard Bethany Beach, DE 19930
