Comments on Docket #2024-P-MULTI-0007 -- US Wind Project

Name: Linda Teplica
Phone: 3025001289
Email Address: sandinmytoz@aol.com
Organization: Sussex County resident

Comments:

I vehemently oppose this project. Delaware had the vision to protect ocean beach from overdevelopment and should NOT be selling out to this Wind Company to benefit Maryland, which did not want this project off of THEIR coast. There are too many unknowns at this time and Delaware will be left "holding the bag". Please do not spoil ANY part of our pristine coast and beach area! We will long regret such a project and NO amount of buyout money is worth it.
