Comments on Docket #2024-P-MULTI-0007 -- US Wind Project

Name: Stephen Horchler

Phone: 302-463-7861

Email Address: stephenh6@verizon.net

Organization: No

Comments:

I am concerned about the impact to marine life when the off-shore windmills and cables are installed. Also will this increase beach erosion. In addition I am concerned about the lifespan of these windmills. Have there been studies conducted which address this? Have alternative energy solutions such as solar been fully explored?
