Comments:

I am a Sussex county local. Born and raised here for 63 years. My parents were born here also. I have stayed here and raised my children here at the beach. They are raising their children here. We own businesses here. My entire family are completely OPPOSED to the off shore wind farming. It will not only change our gorgeous, serene view but I greatly fear loss of marine and waterfowl life. Please keep it OUT of our beautiful state of Delaware. Thank you
