Comments on Docket #2024-P-W-0010 -- Quarry Walk Wastewater Systems

Name: Becca Mathias
Phone:
Email Address: bmathiasphoto@gmail.com
Organization: N/A

Comments:

Failure to correctly follow instructions regarding the installation of a pumphouse on the quarry walk property should not become the problem of the residents of Yorklyn, nor is it appropriate to install 18,000 gallons of sewage holding in a wetland ecosystem. I do not support this endeavor.
