Comments on Docket #2024-P-W-0010 -- Quarry Walk Wastewater Systems

Name: Eileen Watson  
Phone: 3025596369  
Email Address: emwatson4@yahoo.com  
Organization:

**Comments:**

Please block the permit that has been requested by Apex Engineering and Quarry Walk LLC for sewage tanks along Old Wilmington and Yorklyn Roads. This will undoubtedly cause issues in the future to current Artesian Aquifers and the proposed sewage system that requires much additional labor and upkeep. It's evident that long term plans have not been examined fully.
