To the DNREC Division of Fish and Wildlife:

On behalf of our Delaware members and supporters, Humane World for Animals (formerly called the Humane Society of the United States) strongly opposes Docket # 2025-R-F-0011 that would extend the hunting season for coyotes to year-round in Delaware and eliminate the requirement that coyote hunters and trappers report their kills. Please find our written statement attached. Thank you.

Sincerely,

Joanne Bourbeau
