I am absolutely against expanding hunting for coyotes. We need predators to maintain healthy ecosystems. Do not expand hunting in order to generate more revenue. Instead, charge higher rates for licenses, and charge a fee for every animal killed. TAX the hunters and protect tees. We pay big bucks to see a football game or a hockey game. Hunters kill for sport so CHARGE them big bucks for that entertainment as well. There's your revenue generation. Stop over-killing and instead, make killing an expensive hobby so we keep out natural habitats healthy.
