Comments on Docket #2025-R-P-0017 - State Parks Regulations

Name: Michael

Phone: [REDACTED]

Email Address: [REDACTED]

Organization: Myself

Comments:

These proposals are nothing more then Delaware DNR overreach they should not pass a law to prevent people from using a kayak to deploy Baits ! What DNR actually needs to do is enforced. The law is already on the books. Shark fishing and deploying baits from kayaks has been going on for decades, on Delaware beaches. And will continue to !
