Stop the conflict of interest with Stephanie Hansen and rggi funding . Energize Delaware received 60 million of our rggi funding . Energize Delaware board decides who gets grants , contracts and low interest loans , senator hansen , secretary Patterson , Jamison teddies and tray parade all sit on the board of energize Delaware. This presents many conflicts of interest . Pull out of rggi , let the rate payers decide where their money goes not let this ngo keep a slush fund for the Green Party.
