Subject: Public Comment – Oppose Project Washington Data Center
Date: Monday, January 12, 2026 11:48:15 AM
Importance: High

To Whom It May Concern:

My name is Terry C [REDACTED] and I live at [REDACTED] I am writing to express my strong opposition to the proposed Project Washington data center near Delaware City.

I am concerned about the strain this project will place on our electric grid and utility costs, the environmental and community impacts, and the lack of sufficient analysis and regulation in its current form. I urge you to deny approval or require strict regulations that protect Delaware residents.

Thank you for considering my comments.

Sincerely,
Terry [REDACTED] C [REDACTED] [REDACTED]
