Subject: I don't want a data centers near delaware cit
Date: Thursday, December 18, 2025 12:03:48 PM

I am concerned about the aquafers, traffic, and importantly noise pollution. Data centers make a noise I can only call "harmonic" that penetrates buildings so there is nowhere you can escape it. Even the refinery does this but only intermittently. Check out issues residents report who currently live near such centers. Dear lord, let's not add to the issues we already have with the refinery.

Thank you
