RECYCLING PERMIT APPLICATION

INSTRUCTION: The applicant may claim that some of the information presented in this Application is confidential. An applicant wishing to make such a claim should write, preferably in red ink, "Claimed Confidential Information" at each point in the response where such confidentiality is claimed. The applicant must provide an explanation of why the release of such information would constitute an invasion of personal privacy or would seriously affect the applicant's business or competitive situation. The confidentiality determination will be subject to the **FOIA Regulation**, Section 6.

BRIEF DESCRIPTION OF RECYCLING ACTIVITY OR BENEFICIAL USE PROCESS

This facility will serve as an recycling facility for demolition and construction debris in order to reduce waste to local landfills. Acceptable recyclable material is pre-screened, sorted, and then segregated into commodities that will be then by reused by various end markets and industries.
