Hello,

Thank you for providing the requested information. For section 12, do the drivers that go into Delaware get trained on the conditions of the Delaware permit, solid waste handling, and the spill control plan?

Thank you,

**Hi DaQuan,**

**I am so sorry, attached are the missing documents for our renewal application.**

**Enclosed in the attachment:**

**Section 4(b)**

- 1. Vincent F. Catagnus, 50% Owner, A.J. Catagnus, Inc. & L & S Demo, Recycling, Inc.**

**A.J. Catagnus, Inc. All Metal Recycling- L & S Demo. All Waste & Recycling**

**Section 11- I sent you our Policy and Procedures for Accident and or Spill Control**

**Section 12- I sent you extensive procedures on New Hired Drivers. We make sure they all know before they go out on their own, WHAT THEY NEED TO KNOW FOR THE JOB THEY HAVE BEEN HIRED TO DO. Not all of our Drivers go into Delaware. We do Extensive Driver Training for ALL**

**New Hires and periodically we do Refresher Training, during a Safety Meeting. Such as, remind**

**The drivers about Pre & Post Trip of Trucks. Example, we all go outside & complete an Actual**

**Pre/Post Trip. I also have the luxury of our very own Risk Manager from our Insurance Broker.**

**He comes to our meetings and refreshes the Driver on any new Regulations and laws enforced.**

**He also trains and Instructs OSHA Rules & Regulations. And, he is so considerate that he asks the drivers if they have anything they want to discuss or if they are having any problems they would like to talk about. Such as going into tight areas, Customers can be Brutal and some get very nasty.**

**This is one of our main concerns. The Customer is not always right, but we must remember they are the ones who feed us and still deserve respect.**

**If I did not send you everything you need, Please call me an explain where I am Lacking.**

**Thank you so much.**
