#### 11. Spill Control and Safety

List all spill control and safety equipment which will be carried on each vehicle. (**Note:** Separate lists by type of vehicle and type of waste may be required.) Attach a copy of the Spill Control Plan. The Spill Control Plan **must** contain the following elements: (1) List of safety and spill control equipment carried in the vehicle, (2) Driver preventive measures, (3) Driver immediate corrective actions, (4) Company internal communications, (5) Company external communications including the **Delaware Emergency Reporting Numbers:** 1-800-662-8802 and 302-739-9401, and (6) Cleanup and decontamination measures.

| 1 | Spill | Control | Plan: | Attachm | ent |
|---|-------|---------|-------|---------|-----|
|---|-------|---------|-------|---------|-----|

#### 12. Driver Training

**IN SUMMARY OR OUTLINE FORM**, describe the procedures that your company takes to ensure that all company drivers are safe and competent drivers. Small owner-operators may describe their years of experience and driving record in lieu of a formal program.

- (a). Include requirements for special licenses (e.g. CDL, including any special endorsements), any special training received, including dates training was received (e.g. asbestos training), and any ongoing company programs. (e.g. weekly safety meetings or annual refresher courses);
- (b). Include your company procedure for periodic checks of the driver's records for moving violations, and your company policy on progressive counseling/discipline based on points;
- (c). Describe how drivers are instructed in the following:
  - (i) Knowledge of proper handling procedures for the type of solid waste being transported.
  - (ii) Familiarity with the approved accidental discharge containment plan. (Spill Control Plan)
  - (iii) Familiarity with the conditions of the solid waste transporter's permit.

#### 13. Vehicle Identification

On the form provided with this application, list MAKE, MODEL, YEAR, SERIAL NUMBER, LICENSE PLATE NUMBER, STATE OF REGISTRATION, MANUFACTURER'S GVWR and OWNERSHIP of all vehicles used for the transportation of solid waste. You must list both motorized and container units. (If you maintain a list of company vehicles in a computer database you may submit a print out of the vehicles provided it contains the information requested herein.)

NOTE: You must notify CAPS in writing of any changes to information contained within this application, such as additions or deletions of vehicles, in accordance with conditions of the issued permit. ✓ Vehicle List Attached 14. Vehicle Operator Information V Yes Is a list of all vehicle operators attached? What tax form do you submit to the IRS for your vehicle operators? Form W-2 ☐ Form 1099-Misc Other 15. Environmental Record List all criminal citations, arrests, convictions, civil or administrative violations, and civil or administrative enforcement actions, and the disposition(s) thereof for the violation or alleged violation of any environmental statute, regulation, permit, license, approval, or order, regardless of the state in which it occurred. Indicate whether it was a local, state, or federal violation or alleged violation. List all such items for the applicant, and if the applicant is other than an individual, for any employee while employed by the applicant, or any partner, officer, or director of the applicant as an individual or for any former business of such partner, officer, or director. For civil or administrative violations or alleged violations, list all such items for the last five (5) years from the date of the application. Information submitted under this section is subject to verification. Failure to submit complete and accurate information may lead to permit denial or revocation. ☐ Attachment ☑ No violations within the specified time period 16. Certification I certify under penalty of law that I have personally examined and am familiar with the information submitted in this application and all attachments and that, upon personal knowledge and information, the information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information/ \*\*Signature

<sup>\*\*</sup>A legal owner or corporate officer must sign the application\*\*

VEHICLE INFORMATION - See Item 13 of the application.

Use this form, or other format which provides the same information, to answer the VEHICLE IDENTIFICATION requirement of the application. List all vehicles, both motorized and container (if a license plate is required on the container) to be used to haul solid waste in the state of Delaware. In addition, list the vehicle owner, owner's address, and domicile address if different from the company address provided in the application.

Owner Brett Hysian 24059 Growel Hill Rd. Geogretown, DE 19947

#### SPILL CONTROL PLAN FOR DELAWARE JUNKMEN

- (1) Spill control and safety equipment carried in each vehicle:
  - 1). Reflectors and/or flares
  - 2). Fire extinguisher
  - 3). First aid kit
  - 4). Heavy-duty gloves
  - 5). Flashlight
  - 6). Hard hat
- (2) All loads will be enclosed, covered, or tarped to prevent accidental discharge of the waste during transport to the disposal facility.
- (3) The driver will perform the following pre-trip inspections:
  - 1). Make sure tires on truck and/or trailer are fully inflated before departure.
  - 2). Check fluid levels on truck and correct, if needed, before departure.
- (4) If there is an accident or other emergency which causes a portion of the load to be spilled, the driver, if uninjured, will contact the following designated company coordinator:

Name: Brett Hyson

Phone

(5) The designated coordinator will contact the state and municipal authorities where the accident occurred. If the accident or spill has the potential to cause environmental damage, (either due to the nature of the waste, location of the accident, or additional factors such as leaking oil, gasoline, or hydraulic fluid) the person contacted will notify the state emergency response team, by calling one of the following numbers:

Delaware: 911, (302) 739-9401 or 1-800-662-8802

(6) This plan will be carried in all vehicles, along with the permit
