Hi DaQuan,

Tim sent me the two pieces of information that were missing/needed updating from the application we submitted. Can I add that information through email or would you like a full application re-submitted?

If you are receiving this email, then your Delaware Solid Waste Transporter Permit Renewal Application was due on 9/30/24, and we (DNREC) have not received your renewal application.

Just so you know, the renewal process requires your application to be completed before it goes on a mandatory 15-day public notice period. Only after the public notice period will your new permit be printed.

If your application is not deemed complete, you will be contacted and asked to provide additional information.

Given all of this, it is crucial that your application is submitted as soon as possible to ensure your current permit does not expire before your new permit is issued.

For your convenience, I have attached the permit application. You can also find the application here:
<https://dnrec.alpha.delaware.gov/waste-hazardous/management/solid/transporter/>

Applications and payment (check or money order) **must be mailed** (they cannot be faxed or emailed) to:

Delaware Department of Natural Resources and Environmental
Control Compliance and Permitting Section
89 Kings Highway
Dover, DE 19901

If you have any questions, feel free to contact me at the phone number or email in the signature below.
