## SPILL CONTROL PLAN FOR WASTEHAULERS

### **(1) Spill Control and Safety Equipment**

Spill control and safety equipment carried in each vehicle:

- 1) Reflectors and flares
- 2) Fire extinguisher
- 3) First aid kit
- 4) Heavy duty gloves
- 5) Flashlight
- 6) Kitty litter or similiar subsance for absorbing discharge fluids

### **(2) Driver Preventative Measures**

All loads will be enclosed, covered, or tarped to prevent accidental discharge of the waste during transport to the disposal facility.

### **(3) Driver Immediate Corrective Actions**

The driver will perform the following pre-trip inspections:

- 1) Ensure that the vehicle and trailer are in full operating compliance with state and federal regulations.
- 2) Ensure all spill control and safety equipment is in the vehicle.
- 3) Ensure that the trailer is covered.

### **(4) Company Internal Communications**

If there is an accident or other emergency that causes a portion of the load to be spilled, the driver, if uninjured, will contact the following designated company coordinator:

JAMES FIDLER

**(609) 352-3332**

### **(5) External Communications**

The designated coordinator will contact the state and municipal authorities where the accident occurred. If the accident or spill has the potential to cause environmental damage (either due to the nature of the waste, location of the accident, or additional factors such as leaking oil, gasoline, or hydraulic fluid) the person contacted will notify the state emergency response team, by calling one of the following numbers:

All locations: 911

Delaware: (302) 739-9401 or (800) 662-8802

(6) This plan must be carried in all vehicles, along with appropriate permits.

In the event a vehicle should discharge fluids, such as hydraulics or fuel the driver will immediately contact a company who specializes in environmental clean up. The purpose of this company is to contain and clean up the spill. Should there be a need to contact an environmental specialists, we recommend the following companies.

Guardian Environmental Services 302-918-3070

Riverton, NJ 08077

TEL: 609 352 3332 FAX: 856 499-2322

**DRIVER TRAINING OUTLINE**

**I. Driver Licensing Requirements**

According to Federal Motor Carrier Safety Regulations (FMCSRs), drivers must renew their certificate of violations and DOT physical exam card on a regular basis. (Sec. 391.27 and Sec. 391.45)

JP Fidler Trucking's Safety Department will review these records and be responsible for monitoring compliance. They will notify drivers of upcoming expirations of documents. Upon notification, all driver associates will be responsible for updating these records before their expiration dates. Failure to keep these documents current will result in a driver being disqualified from driving a JP Fidler Trucking vehicle until such time as the record is updated.

All JP Fidler Trucking driver associates will have a valid and proper class license issued by their state of residence in their possession when operating a company vehicle. A driver whose license has been suspended, canceled or revoked for any reason must report the incident to the Safety Department within 24 hours of the action.

Drivers whose licenses are not valid will not be allowed to operate any company vehicle.

Any JP Fidler Trucking driver will be disqualified from driving if he or she violates regulations as listed in Sections 383.51 and 391.15 of the FMCSRs. The company will fully comply with these disqualification regulations, and under no circumstances will any exceptions be made.

**II. Review of Driver's Motor Vehicle Record**

**Policy**

It is the policy of JP Fidler Trucking that all moving violations incurred by any company driver or independent contractor leased to JP Fidler Trucking are the responsibility of the driver or independent contractor.

**Responsibility**

It is the responsibility of the Safety & Compliance Department to maintain current driving records on all company drivers and independent contractors leased to JP Fidler Trucking.

The Safety & Compliance Department is expected to score the drivers' records in an objective manner by using a weighted system to measure the severity of each offense. The drivers must be treated in the same manner for similar offenses.

The Safety & Compliance Department must discipline any infractions of this policy, including hiding offense until the annual Motor Vehicle Record (MVR).

All driving personnel must be aware of their responsibility to drive safely and to report any moving violations. They are responsible to know the standards set forth by the company and any ramifications.

Attachment 6

CONVICTION/INCIDENT	ASSESSED POINTS
Following too close	2
Failure to follow traffic control device	2
Improper lane change	2
Any accident where in wrong or assessed points	3
Driving while intoxicated (DWI) or Driving under the influence (DUI)	5
Reckless driving	4
Endangering other	3
Hit and run	7
License suspension for moving violation	4
License suspension for improper equip, tags, or registration	2
License suspension for failure to pay fine	2
License suspension for expired physical (appl on to certain states)	1

Applicants must have no more than 7 points assessed (from company scoring formula) based on convictions for moving traffic violations within two years. The points assessed are based on company policy, not state licensing criteria.

#### **Existing Driver's Driving History**

##### **Requesting MVRs**

JP Fidler Trucking's Safety & Compliance Department will review all MVR information to determine if a current company driver or independent contractor leased to JP Fidler meets company safety standards regarding driving records, and will compare the MVR against the list of violations required under 391.27 for completeness and accuracy.

All drivers, including drivers leased to the company, are expected to meet the following guidelines:

Drivers who have between 0 and 2 points assessed (from company scoring formula) based on convictions for moving violations within 2 years are considered to have a satisfactory driving record. The points assessed are based on company policy, not state licensing criteria.

Drivers who have between 3 and 5 points assessed (from company scoring formula) based on convictions for moving traffic violations within 2 years are considered to have an unsatisfactory driving record. The points assessed are based on company policy, not state licensing criteria. These drivers will face disciplinary action.

Drivers who have 6 or more points assessed (from company scoring formula) based on convictions for moving traffic violations within 2 years are considered disqualified from driving a company commercial motor vehicle. The points assessed are based on company policy, not state licensing criteria.

Any driver who is disqualified from driving a commercial vehicle under Sec. 383.51© or Sec. 391.15 for serious traffic violations (or any driver that is disqualified for any other reason) will not be allowed to drive a company vehicle.

*Attachment 5*

It is the responsibility of each and every driver to inform the Safety & compliance Department within 24 hours of the issuance of any moving violation.

Any attempt by a driver to hide an offense by ignoring the reporting procedures may result in discipline up to termination.

#### Procedures

Driver applicant's driving record

Requesting MVRs.

JP Fidler Trucking will request an MVR for the driver applicants, including leased drivers, being considered for employment after JP Fidler has received the completed and signed employment application. During orientation, as part of the pre-hire process, the Safety & Compliance Department will obtain a current driving record on each driver in order to establish driving status and to create a benchmark for future comparison and evaluation.

An MVR will be requested from every state the applicant has lived in during the past 3 years.

If an MVR request from a former state of residency comes back indicating "no record found," the MVR request will be placed in the driver's qualification file (if hired) as verification that JP Fidler Trucking attempted to obtain the information.

#### Reviewing MVRs

JP Fidler Trucking's Safety & compliance Department will review all MVR information to determine if driver applicant meets company hiring standards regarding driving records, and will compare the MVR against the employment application to check for completeness and accuracy.

JP Fidler Trucking expects its drivers to operate in a safe, legal, and professional manner at all times. Drivers convicted of moving traffic violations jeopardize their livelihood and JP Fidler Trucking safety standards.

All drivers for JP Fidler Trucking are expected to maintain an acceptable driving record. Moving traffic violations include speeding, improper lane changes, driving too fast for conditions, following too close, failure to yield, etc. They do not include parking or equipment violations.

The following point values have been assessed to the corresponding conviction or incident:

CONVICTION/INCIDENT	ASSESSED POINTS
Not wearing a seatbelt	1
Speeding <15 mph over posted speed limit	2
Improper backing	1
Driving too fast for conditions	2
Improper lane usage	1
Speeding >15 over posted speed limit	3
Passing a stopped school bus	3
Failure to yield	2
Speeding in construction zone	2

*Attachment 6*

### **Notify Employer**

Should a driver or independent contractor leased to JP Fidler Trucking receive a moving violation they must contact the dispatcher or The Safety & Compliance Department within 24 hours of the issuance of the violation.

The driver must then send a photocopy of the violation directly to the office, and proceed according to the instructions on the citation. If arrangements need to be made for a future court appearance relating to the specific violation issued, the driver must inform the dispatcher of this as well.

If re-routing is necessary to accommodate a court appearance by the driver in relation to a moving violation issued while driving for JP Fidler Trucking, the dispatcher will make every reasonable effort to accommodate this. If re-routing for this purpose is not possible, the dispatcher will inform the driver of this as soon as possible.

Should the issuance of a moving violation result in any additional action being taken against a driver's license, such as suspension, the driver will inform JP Fidler Trucking as soon as this is determined and what date the action is expected to go into effect.

### **Traffic Convictions Associated with a DOT Accident**

Drivers must notify the company's Designated Employer Representative (DER), James Fidler, immediately of any moving violation issued at the scene of an accident or issued within 32 hours after the accident occurred. This is to ensure that the DOT drug and/or alcohol testing is conducted if the citation occurs within the time frames outlined in 382.303.

A failure to report the citation will result in the following disciplinary actions: Suspension of Employment.

### **Additional Driver Training**

Management must annually review the proper handling procedures of municipal solid waste with every driver.

Every driver must review and retain a copy of the Spill Control Plan for Waste Haulers.

Management must annually review the conditions of the solid waste transporter's permit.

## Endorsement for Motor Carrier Policies of Insurance for Public Liability

under Sections 29 and 30 of the Motor Carrier Act of 1980

# FORM MCS-90

Issued to JP FIDLER TRUCKING LLC of MAPLE SHADE, NJ 08052  
(Motor Carrier name) (Motor Carrier state or province)  
Dated at GREENWOOD VILLAGE, CO 80111 on this 13 day of SEPTEMBER, 2024  
Amending Policy Number: DE16MOT020137-08 Effective Date: 09-01-2024  
Name of Insurance Company: NAVIGATORS INSURANCE COMPANY

Countersigned by: \_\_\_\_\_  
(authorized company representative)

The policy to which this endorsement is attached provides primary or excess insurance, as indicated for the limits shown (check only one):

- ☒ This insurance is primary and the company shall not be liable for amounts in excess of \$ 750,000 for each accident.
- ☐ This insurance is excess and the company shall not be liable for amounts in excess of \$ \_\_\_\_\_ for each accident in excess of the underlying limit of \$ \_\_\_\_\_ for each accident.

Whenever required by the Federal Motor Carrier Safety Administration (FMCSA), the company agrees to furnish the FMCSA a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FMCSA, to verify that the policy is in force as of a particular date. The telephone number to call is: 303-645-8572.

Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed, proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the FMCSA's registration requirements under [49 U.S.C. 13901](#), by providing thirty (30) days notice to the FMCSA (said 30 days notice to commence from the date the notice is received by the FMCSA at its office in Washington, DC).

Filings must be transmitted online via the Internet at <http://www.fmcsa.dot.gov/urs>.

**DEFINITIONS AS USED IN THIS ENDORSEMENT**

**Accident** includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

**Motor Vehicle** means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

**Bodily Injury** means injury to the body, sickness, or disease to any person, including death resulting from any of these.

**Property Damage** means damage to or loss of use of tangible property.

**Environmental Restoration** means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

**Public Liability** means liability for bodily injury, property damage, and environmental restoration.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon,

or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of anyone accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.
