RE: Hazardous Waste Transporter License

Dear Mr. Kraft:

This is to advise you that the investigative report from the Attorney General required under N.J.S.A. 13:1E-126 et seq. has been received by the Department of Environmental Protection. Based on our review of the aforementioned investigative report, the Department is hereby issuing a Hazardous Waste Transporter license to:

**KRAFT INDUSTRIAL CLEANING, INC.**

Please be advised that the license hereby issued is a "conditional" license and is modified by the terms and conditions as specified on the attached document as they have been put forth by the Attorney General's Office. Failure to meet the specified conditions will result in the revocation of this license.

This license must be renewed annually by filing the Annual License Update form and any other change of information concerning your company or its operation as required by the Department.

Any transportation equipment must be registered prior to commencing operations, and in accordance with the hazardous waste regulations, your company must undertake provisions for a training program in the safe management of hazardous waste for all employees who will handle such waste. Questions regarding equipment registration of the above license should be directed to (609) 292-7081.

Sincerely,

A. Raimund Belonzi, Chief  
Bureau of Solid Waste Compliance  
and Enforcement

**Endorsement for Motor Carrier Policies of Insurance for Public Liability  
under Sections 29 and 30 of the Motor Carrier Act of 1980**

# FORM MCS-90

Issued to Kraft Industrial Cleaning, Inc. of P.O. Box 4065 Linden, NJ 07036  
(Motor Carrier name) (Motor Carrier state or province)

Dated at 101 Hudson Street, 25th Floor, Jersey City, NJ on this 21 day of November, 2024  
07302

Amending Policy Number: BAP2016433-19 Effective Date: 11/19/2024

Name of Insurance Company: Key Risk Insurance Company

Countersigned by: Chris DeLander  
(authorized company representative)

The policy to which this endorsement is attached provides primary or excess insurance, as indicated for the limits shown (check only one):

- ☒ This insurance is primary and the company shall not be liable for amounts in excess of \$ 1,000,000 for each accident.
- ☐ This insurance is excess and the company shall not be liable for amounts in excess of \$ \_\_\_\_\_ for each accident in excess of the underlying limit of \$ \_\_\_\_\_ for each accident.

Whenever required by the Federal Motor Carrier Safety Administration (FMCSA), the company agrees to furnish the FMCSA a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FMCSA, to verify that the policy is in force as of a particular date. The telephone number to call is: 201-748-3116.

Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed, proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the FMCSA's registration requirements under 49 U.S.C. 13901, by providing thirty (30) days notice to the FMCSA (said 30 days notice to commence from the date the notice is received by the FMCSA at its office in Washington, DC).

Filings must be transmitted online via the Internet at <https://portal.fmcsa.dot.gov/UrsRegistrationWizard/>

**DEFINITIONS AS USED IN THIS ENDORSEMENT**

**Accident** includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

**Motor Vehicle** means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

**Bodily Injury** means injury to the body, sickness, or disease to any person, including death resulting from any of these.

**Property Damage** means damage to or loss of use of tangible property.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon,

**Environmental Restoration** means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

**Public Liability** means liability for bodily injury, property damage, and environmental restoration.

or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of any one accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.

**CONTINGENCY PLAN**

**I. EMERGENCY REPORTING**

- A. In the event of an emergency of a hazardous waste spill during transportation, the transporter will immediately notify the proper state solid and hazardous waste agency and the National Response Center with the following information.
1. Name of the person reporting the incident
  2. Name, address, and EPA ID number of the transporter
  3. Telephone number where the person reporting the incident can be reached
  4. Date, time and location of the incident
  5. Mode of transportation and type of transport vehicle
  6. A brief description of the incident
  7. For each waste involved in the spill;
    - a. The name and EPA ID number of the generator
    - b. Shipping name, hazard class, and the UN and NA number of the waste
    - c. Estimated quantity of the material spilled
    - d. The extent of the contamination of land, water, or air
- B. In the event of an emergency or a hazardous waste spill during transportation, the transporter will immediately notify the affected municipality of the occurrence, and the nature of the spill.
- C. The transporter will submit a report of the incident in writing, within fifteen (15) days, as required by 49 CFR, to the Chief, Information System Division, Department of Transportation, Washington, D.C., 20590. Copies of the report must be sent to the proper state solid and hazardous waste agency, and the generator.

**II. RESPONSE ACTIONS**

- A. If leaking drums are identified, the driver will immediately proceed to the nearest off road impermeable surface, if possible and post reflectors warning approaching traffic from each direction. Vermiculite and/or Speedi Dry will immediately be applied around the container to prevent the flow of liquid from reaching soil or surface water. If possible leaking containers should be inverted or plugged. Any contamination in the trailer should be washed or steam cleaned, and then re-instate containerized for appropriate disposal.
- B. For any kind of a major or minor spill, the spill area should be contained as best as possible, by being dyked with absorbents. Kraft would or one of our approved emergency Response Contractors would be immediately called in to properly clean up and re-containerize the spill material appropriately into suitable containers for disposal.
