DEFINITIONS AS USED IN THIS ENDORSEMENT

Accident includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

Motor Vehicle means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

Bodily Injury means injury to the body, sickness, or disease to any person, including death resulting from any of these.

Property Damage means damage to or loss of use of tangible property.

Environmental Restoration means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

Public Liability means liability for bodily injury, property damage, and environmental restoration.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon, or violation thereof, shall relieve the company from

liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

Effective Date: November 15, 2023

1. EQUIPMENT. Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor, subject to the terms of this Master Lease Agreement (this "Master Lease") and each schedule or rider now or hereinafter executed pursuant to this Master Lease (each, a "Schedule," collectively, the "Schedules," and altogether with the Master Lease, the "Lease Documents"), the titled and non-titled equipment together with all attachments, replacements, parts, substitutions, additions, repairs, accessions, and accessories now or hereafter incorporated therein or attached thereto (the "Equipment") described in any Schedule A executed by the parties hereto and made a part of this Master Lease by reference therein (each, a "Lease"). Except as specifically modified with respect to certain Equipment by the appropriate Schedule identifying such Equipment, all of the terms and conditions of this Master Lease shall govern the rights and obligations of Lessee and Lessor with respect to such Equipment.

2. TERM. This Master Lease shall become effective and commence on the delivery date stated on the first Delivery and Acceptance Schedule executed pursuant to this Master Lease and shall continue until Lessee has satisfied in full all rental payments and other obligations hereunder.

3. RENTAL. Lessee agrees to pay Lessor monthly payments in the amount and for the term indicated in each Lease. Lessee shall also pay all costs and expenses associated with this Master Lease including, but not limited to, all operational costs, administrative costs, all taxes, and all other costs and expenses associated with the operation of the Equipment including, but not limited to, fees resulting from traffic violations, parking tickets, or storage. Lessee's obligation to pay rent and all other amounts payable by Lessee hereunder is absolute, unconditional, and irrevocable and shall be paid without any abatement, reduction, setoff, or defense of any kind.

LESSEE EXPRESSLY UNDERSTANDS AND AGREES THAT IN THE EVENT THE PRESENT FEDERAL TAX LAWS OR ANY REGULATIONS OR RULINGS THEREUNDER ARE MODIFIED, ALTERED, REVOKED, OR SUPPLEMENTED DURING THE TERM OF THIS MASTER LEASE, OR IF DUE TO THE ACT OR OMISSION OF LESSEE, LESSOR LOSES OR MUST RECAPTURE ALL OR ANY PART OF THE INCOME TAX BENEFITS LESSOR ANTICIPATED AS A RESULT OF ENTERING INTO ANY LEASE AND OWNING THE EQUIPMENT, THEN LESSEE'S MONTHLY LEASE PAYMENTS WILL BE INCREASED BY AN AMOUNT THAT WILL, IN THE REASONABLE OPINION OF LESSOR, MAINTAIN LESSOR'S NET AFTER-TAX RATE OF RETURN WITH RESPECT TO THIS EACH LEASE AT THE SAME LEVEL AS IF SUCH LOSS HAD NOT OCCURRED.

4. LATE CHARGES AND INSUFFICIENT FUNDS. In the event Lessee fails to pay rental payments or any other sum required to be paid by Lessee within ten (10) days after the date such payment or sum is due, Lessor may, without declaring Lessee to be in default, charge

Lessee an amount equal to five percent (5%) of such past due amounts or the maximum allowed by law. In addition, Lessor may collect from Lessee a fee for dishonored checks in an amount not to exceed \$40.00 or the maximum amount permitted by applicable law, and Lessor may pursue any other right or remedy permitted by statute with respect to dishonored checks. Lessor's exercising of this right or the imposition of any charge shall in no way alter Lessor's right to additionally or subsequently declare Lessee to be in default and to seek the remedies provided for in this Master Lease.

5. CHARGES AND TAXES. Lessee agrees to pay promptly when due all fees, sales, excise, and use taxes, duties, assessments, highway use taxes, property taxes, or other taxes and charges, however designated, now or hereafter levied or based upon the purchase, rental, ownership, use, possession, leasing, operation, control, maintenance, or sale of the Equipment, whether or not paid or payable by Lessor (excluding Lessor's net income, franchise, and business and occupation taxes), and shall supply Lessor with proof of payment upon Lessor's written demand therefore.

6. INSURANCE. With respect to the Equipment leased hereunder, Lessee shall provide and continuously maintain, at its own expense, commercial auto insurance for bodily injury or death and property damage liability insurance with a combined single limit of not less than \$1,000,000 per occurrence, or such other higher limit as may be required by law. Lessee shall also provide and continuously maintain during the term of this Master Lease, at its own expense, collision and upset insurance with a deductible of not more than \$2,500 and fire, theft, and combined additional coverage with a deductible of not more than \$2,500.

All insurance required herein shall protect Lessor and Lessee as their interests may appear. All insurance required to be provided by Lessee shall designate Lessor as an additional insured and loss payee and shall, by the terms of the policies or appropriate endorsements thereto (a) be primary to, and in no respect excess or contributory to or contingent upon any liability insurance provided by Lessor; (b) provide that all insurance proceeds are to be payable jointly to Lessor and Lessee; and (c) provide that all insurance proceeds shall be mailed to Lessor at the address set forth above. Lessee agrees that if it obtains any excess or umbrella liability insurance in addition to the minimum requirements set forth in this Master Lease such insurance shall also protect Lessor to the extent permitted by law.

All insurance required herein to be provided by Lessee shall be placed with an insurance company acceptable to and approved by Lessor. Lessor shall be provided with certificates of insurance (or other documents acceptable to Lessor) evidencing the insurance coverage required herein and establishing that such insurance is in effect with respect to the Equipment leased hereunder and will not be changed, altered, or canceled by the issuing insurance company or allowed to lapse or be reduced or terminated by Lessee without thirty (30) days prior written notice to Lessor.

With respect to all insurance policies required by this Master Lease, Lessee appoints Lessor, or Lessor's assignee, as Lessee's attorney-in-fact, with full power (a) to determine at Lessor's discretion reasonable sums for settlement or compromise of any insurance claim or related lawsuit; (b) to institute a lawsuit in Lessee's name, in Lessor's name, or both, and to add any reasonable costs or expenses relating to the claim or lawsuit, including legal fees and expenses, to the balance of Lessee's obligations under this Master Lease; and (c) to sign in Lessee's name any settlement, draft, or check resulting from any such claim or lawsuit.

Lessee agrees that, with respect to insurance proceeds payable jointly to Lessor and Lessee, the proceeds are to be applied first against any claim against Lessor.

7. LESSOR'S RIGHT TO PAY. If Lessee fails to insure any Equipment as provided by Section 6 hereof or if Lessee fails to pay and discharge all fees, taxes, liens, and other charges as provided by Section 5 hereof, Lessor, without prejudice to any other rights hereunder, may (but shall not be obligated to) provide such insurance or pay and discharge such fees, taxes, liens, or other charges, and Lessee agrees to repay said sums to Lessor upon demand. If Lessee fails to repay Lessor within ten (10) days of Lessor's demand for repayment, Lessor may assess a late charge on such amounts in accordance with Section 4. If such amounts, including late charges, remain unpaid for ten (10) additional days, then Lessee shall also be liable for interest thereon at the default rate of interest set forth in Section 15 hereof or the maximum amount permitted by law.

8. INDEMNIFICATION. Lessee assumes liability for and agrees to defend, indemnify, and hold Lessor harmless from any claim (including, but not limited to, claims involving strict liability, tort liability, or product liability), liability, loss, cost, expense, or damage of every nature (including, but not limited to, fines, forfeitures, penalties, settlements, and attorneys' fees) by or to any person and regardless of its basis, which directly or indirectly results from or pertains to the purchase, sale, leasing, manufacture, delivery, ownership, use, possession, operation, condition (including, but not limited to, latent or other defects, whether or not discoverable, and patent, trademark, and copyright infringement), removal, return, or storage of the Equipment. LESSEE'S INDEMNITIES AND LIABILITIES SHALL SURVIVE AND CONTINUE IN FULL FORCE AND EFFECT NOTWITHSTANDING THE EXPIRATION OR CANCELLATION OF THIS MASTER LEASE FOR ANY REASON.

Upon request by Lessor, Lessee shall assume the defense of all demands, claims, actions, suits, and all other proceedings against Lessor for which indemnity is provided herein and shall allow Lessor to participate in the defense thereof. Lessor may, without Lessee's prior consent, settle any demand, claim, or action asserted or brought against Lessor. Upon full payment of all obligations for indemnification or otherwise due to Lessor from Lessee, the rights of Lessor shall be subrogated to Lessee for any matter for which Lessor has assumed an obligation hereunder.

9. LESSEE ACCOUNTS; LESSOR AUDIT RIGHTS. Lessee shall maintain a system of accounts established and administered in accordance with generally accepted accounting principles, and shall deliver to Lessor financial statements at such time and in such form as Lessor may require. Lessee shall permit Lessor to examine and audit the books of Lessee at any reasonable time.

10. ASSIGNMENT. All right, title, and interest in and to this Master Lease, as well as the Leases executed and the Equipment leased hereunder, may be assigned at any time by Lessor without Lessee's consent. Upon notice of any assignment by Lessor or its assignee, Lessee shall make all payments coming due hereunder to the assignee without offset, counterclaim, or defense of any kind. It is expressly understood that any reference in this Master Lease to "Lessor" shall be construed to mean Lessor or Lessor's assignee.

LESSEE SHALL NOT ASSIGN, TRANSFER, OR SUBLET THIS MASTER LEASE, OR THE LEASES EXECUTED OR EQUIPMENT LEASED HEREUNDER, OR ANY OF LESSEE'S OTHER INTERESTS HEREUNDER WITHOUT LESSOR'S PRIOR WRITTEN CONSENT (WHICH MAY BE WITHHELD IN LESSOR'S SOLE DISCRETION), NOR SHALL LESSEE'S INTERESTS HEREUNDER INURE TO THE BENEFIT OF ANY TRUSTEE, RECEIVER, CREDITOR, OR SUCCESSOR OF LESSEE OR ITS PROPERTY, WHETHER IN BANKRUPTCY, BY OPERATION OF LAW, OR OTHERWISE. ANY ATTEMPTED ASSIGNMENT, TRANSFER OR SUBLETTING OF LESSEE'S INTEREST IN THIS MASTER LEASE, THE EQUIPMENT LEASED HEREUNDER, OR ANY OF LESSEE'S OTHER INTERESTS HEREUNDER WITHOUT THE PRIOR WRITTEN CONSENT OF LESSOR SHALL BE VOID.

11. OWNERSHIP/TITLE. Ownership of and title to all Equipment shall be and remain in Lessor, notwithstanding possession and use thereof by Lessee. Lessee has not acquired, and will not acquire by its acceptance of this Master Lease or any Lease executed hereunder, any ownership rights or interest in the Equipment. Lessee agrees that it will, upon the request of Lessor, execute and deliver to Lessor notice or informational filings indicating Lessor's and Lessee's respective interests in the Equipment. During the term of this Master Lease, Lessee shall keep the Equipment free from all liens and encumbrances. Lessor and Lessee intend for this Master Lease to be a lease and not an agreement of purchase granting a security interest in favor of Lessor. Lessee acknowledges and agrees that unless and until Lessee is permitted to purchase Equipment pursuant to the terms of an applicable Schedule, Lessee's interest in such Equipment shall be that of a lessee and not an owner.

12. USE, INSPECTION, AND ALTERATIONS. Lessee at its sole expense shall have each Equipment leased hereunder serviced in accordance with the manufacturer's approved maintenance schedules, ensure that maintenance records are available for review by Lessor at reasonable times and places, and maintain the Equipment in good repair, appearance, functional order, and good lawful operating condition; shall not use or permit the use of the Equipment in any unintended, injurious, or unlawful manner; shall use and repair the Equipment in accordance with any manufacturers' warranties assigned to Lessee hereunder; shall not subject the Equipment to unusual, extreme, or severe operating conditions; and shall not change or alter the Equipment without Lessor's prior written consent (which may be withheld in Lessor's sole discretion), except that Lessee shall make such alterations and improvements, at Lessee's sole expense, as may be required from time to time to meet the requirements of law or any federal, state, or local governmental authority having jurisdiction over the Equipment. To ensure compliance with the foregoing, Lessor shall have the right, at any reasonable time, to enter Lessee's premises or elsewhere to inspect the Equipment or to observe its use. All improvements and alterations, other than improvements which can be readily removed without causing damage to the Equipment or rendering it noncompliant with the law, shall become part of the Equipment and shall be the property of Lessor.

13. LOSS AND DAMAGE. Lessee hereby assumes the risk of loss, including theft or destruction, and the risk of damage to the Equipment leased hereunder from any and every cause whatsoever whether or not such loss is covered by insurance. Loss or damage to Equipment, or any part thereof, shall not relieve Lessee of any obligations under this Master Lease, and there shall be no abatement of rental payments otherwise due hereunder during any period the Equipment is stolen or missing or during any time required for repair, adjustment, servicing, or replacement of such Equipment. In no event shall Lessor be liable to Lessee, its employees, or agents for business or other losses by reason of loss, theft, destruction, repair, servicing, or replacement of any Equipment.

If any Equipment is damaged or destroyed in an accident or other

occurrence, confiscated by any governmental authority, or stolen, abandoned, or subjected to undue peril, Lessee will notify Lessor within ten (10) days of such occurrence or condition.

Lessor may cancel a Lease with respect to certain Equipment if the Equipment is beyond reasonable repair. If a Lease is canceled under this Section, Lessee's cancellation liability shall be the amount that Lessee would have paid if Lessee had defaulted on the terms of this Master Lease as set forth in Section 15. Lessor shall subtract the amount of any insurance proceeds payable to Lessor in connection with the damage or loss from Lessee's liability. Lessee expressly understands and agrees that in the event of a total loss, Lessee's insurance policy may not be sufficient to completely satisfy Lessee's indebtedness, and Lessee agrees that in such event Lessee shall be liable for and shall pay Lessor upon demand therefor the amount of any such deficiency.

14. REPRESENTATIONS, WARRANTIES, AND COVENANTS OF LESSEE.

a. General Representations and Warranties Lessee represents, warrants and covenants that: (i) Lessee is duly organized and in good standing in all jurisdictions where legally required in order to carry on its business; (ii) Lessee has duly authorized the execution, delivery, and performance of this Master Lease, each Schedule and all other documents contemplated hereby; (iii) Lessee is not involved or aware of any pending litigation, tax claim, proceeding, dispute, or any other material circumstance of any kind that would now or with the passage of time affect Lessee's financial condition or impair Lessee's ability to perform its obligations under the terms of this Master Lease; (iv) Lessee shall not permit the sale or transfer of any shares of its capital stock or of any ownership interest in Lessee to any person, persons, entity, or entities (whether in one single transaction or in multiple transactions) which results in a transfer of a majority interest in the ownership or control of Lessee from the person, persons, entity, or entities who hold ownership or control of Lessee as of the date of this Master Lease; (v) Lessee shall not consolidate with or merge into or with any other entity, or purchase or otherwise acquire all or substantially all of the assets or stock or other ownership interest of any person or entity, or sell, transfer, lease, or otherwise dispose of all or substantially all of Lessee's assets to any person or entity; and (vi) Lessee shall not allow a Blocked Person to have an ownership interest in or control of Lessee. "Blocked Person" shall mean any person or entity that is now or at any time (1) on a list of Specially Designated Nationals issued by the Office of Foreign Assets Control ("OFAC") of the United States Department of the Treasury or any sectoral sanctions identification list, (1) whose property or interests in property are blocked by OFAC or who is subject to sanctions imposed by law, including any executive order of any branch or department of the United States government, or (3) otherwise designated by the United States or any regulator having jurisdiction or regulatory oversight over Lessor, to be a person with whom Lessor is not permitted to extend credit to or with regard to whom a lessee relationship may result in penalties against Lessor or limitations on Lessor's ability to enforce a transaction.

b. Special Representations and Warranties Lessee represents, warrants, and covenants to Lessor that (i) the Equipment will not be used outside of the United States or Canada without the prior written consent of Lessor (which may be withheld in Lessor's sole discretion); (ii) Lessee is not and will not become an organization exempt from the tax imposed by Chapter 1 of the Internal Revenue Code of 1986, nor will Lessee allow any such entity to use the Equipment; and (iii) Lessee is not the United States, any State (including the District of Columbia) or political subdivision thereof, or any agency or instrumentality of the United States, any State, or political subdivision thereof, or any

international nongovernmental organization, nor will Lessee allow any such entity to use the Equipment. Lessee acknowledges that if any representation, warranty or covenant herein is false or if it takes any action or omits to take any action which causes any such representation, warranty, or covenant to be false or to be breached, Lessor, or the affiliate group of which it is a member, may suffer adverse tax consequences.

c. Breach Lessee agrees that if it breaches any such representation, warranty, or covenant, or if the same shall be or become false, in addition to any other remedy available to Lessor at law, this Master Lease shall be deemed to be in default, and Lessee shall be liable to Lessor in the manner and for the amounts specified in Section 15.

15. **DEFAULT.** Time is of the essence in this Master Lease, and Lessor may declare this Master Lease to be in default upon the occurrence of any of the following events: (a) Lessee's failure to pay when due the full amount of any payment required hereunder including, but not limited to, rent, taxes, liens, insurance, indemnification, repair, or other charges, or Lessee's failure to perform any other obligation, agreement, or affirmation required by the terms hereof to be performed by Lessee; (b) the making of any false or misleading statement by Lessee prior to entering into or in connection with this Master Lease; (c) Lessee's death, dissolution, or other termination of existence, Lessee's suspension or cessation of the conduct of its business, or a material change in Lessee's financial condition or impairment of Lessee's ability to perform its obligations under the terms of this Master Lease; (d) Lessee's becoming the subject of a petition in bankruptcy whether voluntarily or involuntarily, making an assignment for the benefit of creditors, or being named or subjected to a suit for the appointment of a receiver; (e) seizure of or levy upon Equipment leased hereunder by reason of any legal or governmental process directed against Lessee; (f) any bankruptcy, insolvency, termination, death, or default of any guarantor of Lessee's obligations under this Master Lease, a material change in such guarantor's financial condition, or impairment of such guarantor's ability to guaranty Lessee's obligations under this Master Lease; (g) a significant change in the management, ownership, or control of Lessee without Lessor's consent; (h) Lessee's default under the terms of any other agreement, including any other lease, loan agreement, or schedule thereto, with Lessor or an affiliate of Lessor ("Other Agreement"), or (i) a material adverse change in the creditworthiness of Lessee as determined in Lessor's sole discretion.

Upon Lessee's default, Lessee shall be liable for, and shall pay Lessor upon demand, the sum of the following as liquidated damages: (a) any Lease payments or other amounts due and owing as of the time of default; plus (b) the balance of the payments Lessee would have paid had this Master Lease gone to full term, less a deduction for the time value of such payments; plus (c) if applicable, the residual value as set forth in any Schedules to this Master Lease; plus (d) an amount equal to the highest monthly rental payment scheduled and owed by Lessee within the preceding twelve (12) month period; plus (e) any security deposit held by Lessor under this Master Lease; plus (f) any and all costs, fees or expenses associated with the resale of the leased Equipment; plus (g) any fees incurred by Lessor from any of its assignees as a result of Lessee's default; plus (h) any sales, use and property taxes, and other similar taxes, charges, or fees.

In the event of Lessee's default, Lessee agrees to surrender the Equipment to Lessor at such location as Lessor may designate, and Lessor may take possession of the Equipment wherever the same may be found, whether on Lessee's premises or elsewhere. Lessee further agrees that any and all rights or interest Lessee may have in the Equipment shall be extinguished upon Lessee's default. In the event of Lessee's default, Lessee voluntarily, knowingly, and intelligently waives any right to have a hearing prior to losing possession of the Equipment by means of a court order.

If the repossessed Equipment contains property not belonging to Lessor,

Lessor may notify Lessee in writing that Lessee must remove such property from Lessor's premises within seven (7) days or Lessor shall have the right to store or dispose of such property. The notice shall request the name, address, and telephone number of the owner of the property. LESSEE SHALL BE RESPONSIBLE FOR ALL COSTS AND EXPENSES INCURRED BY LESSOR IN STORING OR DISPOSING OF THE PROPERTY AND SHALL DEFEND, PROTECT, AND INDEMNIFY LESSOR FROM ALL LOSS, COST, DAMAGE, OR EXPENSE LESSOR MAY SUFFER OR INCUR AS A RESULT OF THE PROPERTY BEING LOCATED IN THE EQUIPMENT OR STORED OR DISPOSED OF BY LESSOR.

If Lessor obtains possession of Equipment following Lessee's default, Lessor may, but shall not be obligated to, dispose of the Equipment by public or private sale in the wholesale or retail market, and such disposition may be with or without notice to Lessee or, if Lessor so elects in its sole discretion, Lessor may relet the Equipment. In the event of a public or private sale or reletting, Lessor shall deduct from Lessee's default liability the amount of any proceeds obtained upon disposition of the Equipment, less any costs or expenses incurred by Lessor in connection with the repossession, storage, restoration, disposition, or reletting of the Equipment. Lessor may assess, and Lessee will be liable for, interest on the total amounts Lessee may owe to Lessor by reason of Lessee's default at the rate of eighteen percent (18%) per annum or at the highest rate allowed by applicable law, whichever is less, both before and after judgment, to the extent permitted by law. Lessee shall also be liable for any collection or legal costs or expenses incurred by Lessor, including reasonable attorneys' fees and court costs.

If Lessee is in default under any Other Agreement between Lessee and Lessor, then such default shall also be a default under this Master Lease, including all Leases and other Schedules executed hereunder. Upon such a default, Lessor shall have all of the cumulative rights and be entitled to exercise all remedies set forth herein and in all Other Agreements. Any monies received by Lessor pursuant to this Master Lease or any Other Agreements shall be applied by Lessor to Lessee's obligations in such amounts and in such order as Lessor determines in its sole discretion.

Lessee understands and agrees that the remedies provided under this Master Lease in favor of Lessor upon default shall not be exclusive, but shall be cumulative and in addition to any other remedies available to Lessor, whether existing in law, equity, or bankruptcy.

16. PREPAYMENT FEES. To the extent permitted by applicable law, it is understood that if Lessee prepay any obligations or if Lessor accelerates payment of any obligations under a Lease, except as otherwise set forth in Section 15 pertaining to an occurrence of default, Lessor has the right to charge Lessee, and Lessee hereby agrees to pay to Lessor, fees in an amount equal to three percent (3%) of the then unpaid principal balance of the obligations from the applicable delivery date through fifty percent (50%) of the term of the Lease ("Prepayment Fees"). The parties intend that the Prepayment Fees constitute compensation and not a penalty, and that the Prepayment Fees are reasonable fees in the event of Lessee's prepayment of the obligations or Lessor's acceleration of payment of any obligations.

17. SECURITY DEPOSIT. At all times during this Master Lease, Lessee shall deposit and maintain with Lessor a security deposit in the amount, if any, identified in each Lease. Any security deposit made by Lessee hereunder shall be returned to Lessee, without interest, upon the expiration of the applicable Lease, provided, however, that in the event of Lessee's default under or breach of any of the terms of this Master Lease, all or a portion of such security deposits may be applied to reduce the obligations or liabilities of Lessee associated with such default or breach. If Lessor applies any security deposit as provided in this Section, then promptly upon notice by Lessor to Lessee, Lessee shall deposit with Lessor an amount equal to the applied security deposit in order to restore the total amount of the security deposit previously held by Lessor.

18. DISCLAIMER OF WARRANTIES, LIMITATION OF LIABILITY. LESSOR IS NOT THE PRODUCER, MANUFACTURER, OR SUPPLIER OF THE EQUIPMENT LEASED HEREUNDER, AND LESSOR MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THIS MASTER LEASE OR THE EQUIPMENT LEASED HEREUNDER INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR INTENDED USE. LESSOR SHALL HAVE NO LIABILITY FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, OR SPECIAL DAMAGES.

Lessor hereby assigns to Lessee any manufacturer's standard warranties applicable to any Equipment leased hereunder, together with any rights and remedies afforded thereby, to the extent that such warranties, rights, and remedies are assignable.

19. NO AGENCY. Lessee acknowledges and agrees that neither the manufacturer of any of the Equipment leased hereunder, nor any representative of such manufacturer, is an agent of Lessor or is authorized to add to, waive, or modify the terms of the Lease Documents. No statements made to the Lessee by a manufacturer of the leased Equipment or such manufacturer's representatives shall affect Lessee's duty to pay rent and perform its other obligations as set forth in the Lease Documents.

20. ENTIRE AGREEMENT. The Lease Documents constitute the entire agreement of Lessor and Lessee. Except as provided in Section 21, no waiver or modification of this Master Lease shall be effective unless in writing and signed by both parties. No waiver or indulgence by Lessor of the deviation by Lessee of any performance required herein shall be deemed a waiver of Lessor's rights to subsequent or other full and timely performance.

21. LIMITED PREARRANGED AMENDMENTS; SPECIFIC POWER OF ATTORNEY. Lessee agrees that Lessor may, in a written notice from Lessor to Lessee, amend the Lease Documents to reflect a change in one or more of the following conditions: (a) description of the Equipment; (b) identification numbers associated with the Equipment; (c) Lessee's legal name; (d) Lessee's address or the address of the location of the Equipment; or (e) the Effective Date. Upon Lessor providing written notice to Lessee of any such amendment, such amendment shall be deemed incorporated in the Lease Documents as it originally set forth therein.

22. SUCCESSORS AND ASSIGNS. This Master Lease shall be binding upon and inure to the benefit of any permitted successors or assigns of the respective parties hereto.

23. COSTS AND ATTORNEYS' FEES. If Lessor employs an agent or other party for purposes of collection or repossession, or if Lessor refers this Master Lease to an attorney for purposes of collection or repossession of Lessor's interests herein or the enforcement of Lessor's rights and remedies hereunder, Lessee agrees to reimburse Lessor upon Lessor's demand for all of Lessor's reasonable repossession costs, attorneys' fees and expenses to the extent permitted by applicable state law.

24. NOTICES. All notices and payments shall be mailed via overnight courier or certified mail, return receipt requested, to the respective parties at the addresses hereinabove indicated, or such other address as a party may provide from time to time in writing, and shall be deemed effective the day after sent by overnight courier or three days after sent by certified mail.

25. GOVERNING LAW AND JURISDICTION. Any and all disputes and claims of any kind and nature whatsoever arising under this Master Lease shall be handled as provided in this Section. This Master Lease shall be deemed to have been made in the State of Colorado and shall be governed by and construed and interpreted in accordance with

the internal laws of the State of Colorado (without regard to any conflict of law principles), including all matters of construction, validity, and performance, regardless of the location of the Equipment supplied hereunder. Lessor and Lessee agree that this Master Lease was entered into at Lessor's address set forth above. **LESSEE EXPRESSLY WAIVES ANY AND ALL RIGHT TO A JURY TRIAL REGARDING ANY DISPUTE HEREUNDER.** Lessee hereby irrevocably submits to the exclusive jurisdiction and venue of courts sitting in Adams County, Colorado. Lessee hereby irrevocably waives and agrees not to assert by way of motion, defense, or otherwise, any claim that Lessee is not subject personally to the jurisdiction of such courts, that the Equipment leased hereunder or any other property of Lessee is exempt or immune from attachment or execution, that any action brought under this Master Lease is brought in an inconvenient forum, that the venue of the action is improper, or that this Master Lease cannot be enforced by such courts. Notwithstanding the foregoing, Lessor may bring an action in replevin, trespass, detinue, trover, or any similar action in any jurisdiction in which the property subject to such action is located.

26. COPIES IN LIEU OF ORIGINALS. Lessee acknowledges and agrees that Lessor may, in its sole discretion, destroy or otherwise not retain any or all of the original Lease Documents and may scan and store copies of the same electronically or by such other means as it deems appropriate. Lessee agrees that copies of the Lease Documents are and shall be fully enforceable and admissible in evidence to the same extent that the original Lease Documents would be so enforceable and admissible. Lessee hereby waives any claims that such copies should not be considered authentic or that it would be unfair to admit or use copies in lieu of the original Lease Documents. Lessee further agrees to re-execute any Lease Documents or copies thereof at the request of Lessor.

27. SEVERABILITY; ENFORCEABILITY. If any of the provisions of this Master Lease are contrary to, prohibited by, or held invalid under applicable laws or regulations of any jurisdiction in which this Master Lease is sought to be enforced, then that provision shall be considered inapplicable and omitted but shall not invalidate the remaining provisions. Any provisions of this Master Lease that are unenforceable in one jurisdiction shall not render unenforceable such provisions in any other jurisdiction.

28. ARTICLE 2A. To the extent permitted by applicable law, Lessee hereby waives all rights and remedies under Article 2A, Sections

If this Master Lease or any Lease executed hereunder is deemed at any time to be a lease intended as security, Lessee then grants Lessor a security interest in the Equipment to secure its obligations under this Master Lease and all of the Leases executed hereunder and agrees that, in addition to all of Lessor's rights and remedies hereunder, Lessor shall have all of the rights and remedies of a secured party under the Uniform Commercial Code.

29. PROGRAM PARTNERS. Lessee acknowledges and agrees that this Master Lease is between Lessor and Lessee only. Lessee agrees that if this Master Lease or any Lease executed hereunder is marketed, promoted, advertised, or presented by any third party authorized by Lessor (each, a "Program Partner"), whether pursuant to any leasing or financing program between Lessor and Program Partner or otherwise, Lessee will defend and hold Program Partner, its affiliates, and their officers, directors, employees, agents, and respective successors and assigns, harmless from and against any claims, liability, losses, costs, and expenses of any nature whatsoever related to this Master Lease, or any Lease executed or Equipment leased hereunder. LESSEE AGREES THAT PROGRAM PARTNERS SHALL HAVE NO LIABILITY TO LESSEE OF ANY NATURE WHATSOEVER INCLUDING, BUT NOT LIMITED TO, LIABILITY FOR ANY AND ALL INCIDENTAL, CONSEQUENTIAL, INDIRECT, OR SPECIAL DAMAGES.

1. RIDER. This TRAC Rider to Schedule A Lease (this "TRAC Rider") hereby incorporates the terms of, is executed in connection with, and is made a part of the Master Lease Agreement (the "Master Lease") and Schedule A Lease (the "Lease") indicated above between Lessor and Lessee. Unless otherwise specified in this TRAC Rider, all capitalized terms used herein shall have the same meanings ascribed to them in the Master Lease or the Lease. In the case of a conflict between the terms of the Master Lease and this TRAC Rider, the terms of this TRAC Rider shall control.

2. PURCHASE OPTION. Lessee understands and agrees that Lessee has no option to purchase any of the Equipment at any time during the term of the Lease; provided, however, Lessee may have the opportunity to purchase the Equipment (the "Purchase Option") upon expiration of the Lease for the residual value set forth in the Lease (the "Residual Value"). Lessee must notify Lessor in writing of its intent to exercise the Purchase Option not more than ninety (90) and not less than sixty (60) days prior to the expiration of the Lease term. In addition, Lessee must pay any official fees and taxes assessed in connection with the purchase, including any sales, use, and property taxes, and other similar taxes, charges, or fees, plus any other amounts due hereunder but not paid at the time of expiration. condition, appearance, and functional order as received, reasonable and ordinary wear and tear excepted.

Upon the return of the Equipment as provided herein, Lessor may sell the Equipment at a public or private sale with or without notice to Lessee. If the amount received from the sale of the Equipment (less sales tax, reasonable sales commissions, and restoration costs, if any) exceeds the Residual Value of the Equipment as set forth in the corresponding Lease, the amount of such surplus shall be paid to Lessee. If the amount received from the sale (less sales tax, reasonable sales commissions, and restoration costs, if any) is less than the Residual Value of the Equipment as set forth in the corresponding Lease, Lessee shall be liable for and shall pay to Lessor upon demand, the amount of such deficiency.

If Lessee fails to return or release the Equipment on or before the last day of the Lease term, the Lease shall automatically renew on a month-to-month basis and, in addition to any remedy available to Lessor under the Master Lease or otherwise at law or in equity, Lessee shall be obligated to pay, as holdover lease payments, an amount equal to the monthly rental payment in effect immediately prior to the end of the term of the Lease for each month (or portion thereof) that Lessee fails to return or release the Equipment. Notwithstanding the foregoing, receipt of a monthly holdover payment shall not constitute Lessor's consent to Lessee's retention of the Equipment. Further, the monthly holdover payments shall not be credited against the Residual Value or any other obligation of Lessee under the Master Lease, Lease or this TRAC Rider.

Lessee agrees that the potential benefits or liabilities contemplated herein are not intended to create any equity interest in any Equipment for Lessee, but rather are designed as an incentive for Lessee to properly maintain the Equipment as required by the Master Lease.

Billing Statements: Statements are usually mailed 17 days prior to a payment due date. At the Lessee's request, in lieu of mailed paper statements, the Lessee may receive billing statements electronically. Lessor's failure to mail statements, electronically or otherwise, shall not excuse Lessee's obligation to make payments as required under the Master Lease.

Late Charges: A late fee of 5% of your total period payment will be charged if payment is not received within 10 days of the payment due date. The late fee will be billed in the next billing cycle.

1. For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the above-named Guarantors do hereby jointly and severally guaranty to Trans Lease, Inc. (hereinafter called "Company"), subject to the terms and conditions of this Continuing Guaranty (this "Guaranty"), that SIMON CONTRACTING LLC (hereinafter called "Obligor") shall promptly and fully pay and perform any and all liabilities and obligations which now exist and/or which may hereafter accrue in any manner from Obligor to Company and in the event the Obligor fails at any time or times to promptly pay or perform any such obligations as the same become due, the Guarantors and each of them hereby jointly and severally promises to pay and perform any and all such obligations as the same become due from Obligor to Company, forthwith, upon demand and including attorneys' fees incurred in enforcing payment and performance of the Guarantors' obligations under this Guaranty.

2. This is an absolute and unconditional continuing Guaranty, and by this Guaranty, the Guarantors and each of them hereby jointly and severally guaranty the prompt payment and performance of any and all obligations which may now exist and/or may hereafter accrue at any time or times from Obligor to Company until the Guarantors have delivered to Company a notice signed by them at their election not to guaranty any new obligations from Obligor to Company which may thereafter accrue. Such notice shall not in any way affect the promise of the Guarantors hereunder to pay and perform any and all obligations from Obligor to Company, existing at the time such notice is given. Any notice by any Guarantor of such election shall be effective only against the Obligor's obligations to the Company incurred after the date of receipt of such notice by the Company and shall only apply to the Guarantor giving such notice, and all of the obligations of the other Guarantor(s) under this Guaranty shall continue and not be affected in any way by such notice.

3. Each of the Guarantors waives all notice of acceptance of this Guaranty by the Company, all notice of the extension of credit from time to time given by Company to Obligor and all notice of the amount of the obligations of the Obligor to the Company, which may exist from time to time, and agree that if any one of the Guarantors desires at any time to ascertain the amount of liability accrued under this Guaranty, such Guarantor will make written inquiry to the Company.

4. Each of the Guarantors hereby waives, to the fullest extent permitted by applicable law, all notices and/or defenses to which a guarantor or surety may be entitled including, without limitation, (a) presentment for payment, protest and notice of protest and of nonperformance of any note or notes made or hereafter made by Obligor to Company or of any other items or obligations held or hereafter held

by Company against Obligor; (b) all rights, by statute or otherwise, to require Company to make demand upon or institute suit against Obligor or any other Guarantor or to exhaust its rights or remedies against Obligor or any other Guarantor, the Guarantors hereunder and each of them being bound to the payment and performance of each and all obligations of Obligor to Company, whether now existing or hereafter accruing, as fully as if each obligation was directly owing to Company by each Guarantor and as fully as if each Guarantor was a joint maker with Obligor upon each obligation made or hereafter made by Obligor to Company; (c) notice of adverse change in Obligor's financial condition or of any other fact or circumstance which might materially increase a Guarantor's risk; (d) any right to require Company to marshal assets or proceed against or exhaust any security held from the Obligor or any other person; (e) notice of any extensions, modifications or renewals of any of the obligations of Obligor to Company; (f) any defense based upon (i) disability or lack of authority of the Obligor or any other person; or (ii) any act or omission by Company which directly or indirectly discharges or releases the Obligor or any other Guarantor, in whole or in part, from any obligation or that impairs any rights, remedies or security.

5. Forbearance on the part of Company to take steps to enforce the obligations held by it against Obligor, arising from Obligor's default in any respect whatever or the giving of further time to Obligor, shall in no way release the Guarantors or any of them, and the Guarantors and each of them shall remain liable hereunder for the prompt payment and performance of all notes signed by Obligor and made to Company and all renewals thereof and all other obligations which may now exist and/or may hereafter accrue from Obligor to Company. Guarantors authorize Company either before or after revocation hereof, without notice to or demand on any Guarantor, and without affecting any Guarantor's liability hereunder, from time to time, to: (a) alter, compromise, renew, extend, accelerate or otherwise change the time for payment of, or otherwise change the terms of any obligation, including increase or decrease of the rate of interest thereon; (b) exchange, enforce, waive, subordinate or release any security for the payment of any obligation; (c) apply such security and direct the order or manner of sale thereof, including without limitation, a non-judicial sale permitted by the terms of the controlling security agreement, mortgage, or deed of trust, as Company in its discretion may determine; (d) release or substitute any one or more of the endorers or any other guarantors of any obligation or any other party thereto; and (e) apply payments received by Company from the Obligor to any indebtedness of the Obligor to Company, in such order as Company shall determine in its sole discretion, whether or not such indebtedness is covered by this Guaranty, and each Guarantor hereby waives any provision of law regarding application of payments which specifies otherwise.

6. Company may accept from Obligor any new, additional or substituted security from time to time without in any way impairing the obligation of the Guarantors, and the impairment of the security which Company may from time to time hold from Obligor in any way shall not operate to discharge any of the Guarantors in whole or in part, it being specifically agreed that Company is not required to exercise diligence to enforce its rights against Obligor or against any such security. Each of the Guarantors hereby waives any rights whatsoever which such Guarantor may acquire by law or otherwise to any equitable assignment of any or all of any security which the Company may hold as security for the obligations guaranteed hereby until such time as all obligations guaranteed hereby are paid in full to the Company.
7. Each Guarantor agrees that the balance due and unpaid at any time from Obligor to Company, as shown by the books of Company if approved as correct by Obligor, shall be received as conclusive evidence of the amount of such obligations owed by Obligor to Company as against the Guarantors and shall not be disputed or questioned by any of the Guarantors. Each Guarantor waives any defense based on a defense that Obligor may have against Company and all defenses given to sureties or guarantors, at law or in equity, other than the payment and performance of the obligations secured by this Guaranty in full. Each Guarantor expressly agrees that Company cannot prejudice its rights against any Guarantor by any act or omission on its part with respect to any obligations.
