“Attachment D” Driver Training

I. Overview

The FA Taylor Company, LLC is committed to ensuring that all company drivers operate vehicles in a safe, responsible, and professional manner while complying with all applicable federal, state, and local transportation and solid waste regulations. This document outlines the procedures used to ensure that all drivers are properly licensed, trained, monitored, and knowledgeable in the transport of roofing-related solid waste.

II. Driver Qualifications, Licensing, and Training

- All drivers must maintain a valid state-issued driver's license appropriate for the vehicle operated.
- Commercial Driver's Licenses (CDL) are required when operating vehicles that meet state or federal CDL thresholds.
- License status is verified at the time of hire and reviewed periodically.
- New drivers receive orientation covering vehicle safety, load securement, and debris containment.
- Specialized training is completed prior to assignment and documented.
- Ongoing safety programs include regular safety meetings, toolbox talks, and annual refresher training.

III. Driver Record Monitoring and Disciplinary Policy

- Motor vehicle records are reviewed at the time of hire and periodically thereafter.
- Additional reviews are conducted following accidents, citations, or other driving incidents.
- The company follows a progressive discipline policy that may include verbal counseling, written warnings, retraining, suspension, or termination depending on severity.
- All actions are documented and maintained in company records.

IV. Driver Instruction Related to Solid Waste Transport

1. Proper Handling of Solid Waste: Drivers are trained to properly load, secure, cover, and transport roofing debris to prevent spillage, littering, or discharge during transit.

THE FA TAYLOR COMPANY
— EST 1938 —

2. Accidental Discharge Containment (Spill Control Plan): Drivers are instructed on the company's Spill Control Plan, including immediate response, containment procedures, and reporting requirements.

3. Solid Waste Transporter Permit Requirements: Drivers are trained on the conditions of the solid waste transporter permit, including approved disposal facilities, routing, and documentation requirements.

V. Commitment to Safety and Compliance

The FA Taylor Company, LLC regularly reviews and updates its driver safety procedures to ensure ongoing compliance with regulations and to promote a strong culture of safety and professionalism.

Amending Policy Number: CA100081925-02 Effective Date: _____

Name of Insurance Company: FCCI Insurance Company

Countersigned by: _____

Christina D. Welke
(authorized company representative)

The policy to which this endorsement is attached provides primary or excess insurance, as indicated for the limits shown (check only one):

- ☒ This insurance is primary and the company shall not be liable for amounts in excess of \$ 1,000,000 for each accident.
- ☐ This insurance is excess and the company shall not be liable for amounts in excess of \$ _____ for each accident in excess of the underlying limit of \$ _____ for each accident.

Whenever required by the Federal Motor Carrier Safety Administration (FMCSA), the company agrees to furnish the FMCSA a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FMCSA, to verify that the policy is in force as of a particular date. The telephone number to call is: _____

Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed, proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the FMCSA's registration requirements under 49 U.S.C. 13901, by providing thirty (30) days notice to the FMCSA (said 30 days notice to commence from the date the notice is received by the FMCSA at its office in Washington, DC).

DEFINITIONS AS USED IN THIS ENDORSEMENT

Accident includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

Motor Vehicle means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

Bodily Injury means injury to the body, sickness, or disease to any person, including death resulting from any of these.

Property Damage means damage to or loss of use of tangible property.

Environmental Restoration means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

Public Liability means liability for bodily injury, property damage, and environmental restoration.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon,

or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of anyone accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.
