

RECYCLING PERMIT APPLICATION

INSTRUCTION: The applicant may claim that some of the information presented in this Application is confidential. An applicant wishing to make such a claim should write, preferably in red ink, "Claimed Confidential Information" at each point in the response where such confidentiality is claimed. The applicant must provide an explanation of why the release of such information would constitute an invasion of personal privacy or would seriously affect the applicant's business or competitive situation. The confidentiality determination will be subject to the **FOIA Regulation**, Section 6.

BRIEF DESCRIPTION OF RECYCLING ACTIVITY OR BENEFICIAL USE PROCESS

Scrap Tire Solutions, Inc. (STS) is a scrap tire recycling facility currently located at 195 Hay Rd in Wilmington, DE. The facility process scrap tires, tracks and treads by baling them and exporting the tires for recycling or reusing them as bumpers for floating docks and tug boats. This application is to move the operation from 145 Hay Road to 220 Marsh Lane in New Castle, Delaware. The operation process will be same as our current Solid Waste Facility Permit issued on May 10, 2024, Permit SW-24/02 and any amendments.
