Delaware County Sealcoating: Driver Training, Safety and Competence Procedures

1. Driver Certification and Medical Exam

- All drivers must obtain a **DOT medical exam** to secure their **Commercial Motor Vehicle (CMV) Certification**.
- Medical certification is a requirement for employment and must be renewed as specified by DOT regulations.

2. Driving Record Checks

- Every driver is required to submit an **updated driving record** annually for review.
- Periodic checks will be conducted to monitor **moving violations**, and any violations will be addressed according to company policies.

3. Special License Requirements

- Drivers must possess a **Commercial Driver's License (CDL)** to operate company vehicles over 26,000lbs.
- Drivers must also maintain proper documentation and renew endorsements as necessary.

4. Specialized Training

- Drivers receive specialized training in key areas, including:
 - **Waste Handling Procedures:** Drivers must be familiar with proper handling procedures for the types of solid waste being transported. This includes:
 - **Identification of waste types** (e.g., hazardous, non-hazardous)
 - **Packaging and securement** of waste materials
 - **Spill Control Training:** Drivers must be trained in the approved **accidental discharge containment plan** (spill control plan) to prevent environmental damage in case of an accident or leak.
 - Training must be refreshed **annually** to ensure compliance.

- **Solid Waste Transporter's Permit:** Drivers must be familiar with the specific conditions of the company's solid waste transporter's permit, ensuring all legal and regulatory requirements are met.
- **Training Dates:** All training records, including dates and content, are maintained in the driver's file. Training includes:
 - Waste handling
 - Spill containment
 - Annual refresher courses

5. Ongoing Company Programs

- **Weekly Safety Meetings:** Drivers are required to attend **weekly safety meetings**. These meetings focus on:
 - Updates on safety regulations
 - Reminders of safe driving practices
 - Discussion of any recent incidents or near-misses
- **Annual Refresher Course:** All drivers are required to attend an **annual refresher course** covering:
 - Safe driving techniques
 - Updates on company safety policies and regulations
 - Review of the company's spill control plan and other emergency procedures

6. Driver Monitoring and Discipline

- **Periodic Record Checks:** The company conducts **periodic checks of driver records** to identify any new moving violations or accidents.
- **Progressive Counseling and Discipline:**
 - Drivers will receive counseling for any **moving violations** or points on their record. Progressive discipline will apply as follows:
 1. **First incident:** Counseling and review of driving habits
 2. **Second incident:** Warning and requirement for additional training

3. **Third incident:** Suspension or potential termination based on severity of violations.

7. **Compliance and Accountability**

- All drivers are required to stay in compliance with both DOT regulations and Delaware County Sealcoating internal policies.
- Failure to comply with training or licensing requirements will result in **disciplinary action** up to and including termination.

By maintaining a comprehensive program that includes proper certification, training, regular monitoring, and a clear system for addressing violations, Delaware County Sealcoating ensures that all drivers are safe and competent in their roles.
