Spill Preparedness, Prevention, and Contingency Plan for Vehicles Owned and/or Operated by H&K Group, Inc. that are Engaged in the Transportation of Waste

H & K Group, Inc. owns and operates commercial vehicles that engage in the transportation of waste materials within the Commonwealth of Pennsylvania, and surrounding region as authorized and permitted to do. H&K Group, Inc. recognizes that there are inherent risks associated with the transportation of waste, and has developed the following plan and procedures to limit the risks associated with a spill or release of waste or a regulated substance.

The following spill control and safety equipment is to be carried on all commercially owned and operated vehicles owned by H&K Group, Inc.

- a) 5lb ABC fire extinguisher
- b) Safety reflector triangles (3 per box)
- c) Spill Kit (goggles, latex gloves, pig mats, spill booms (antifreeze/oil) fuel tank repair kit (putty stick) and trash bag).

* If any of these materials are needed please contact the H&K Group, Inc. Safety and Risk Management office and/or your H&K Group, Inc. Environmental Representative.

Preventive measures

- a) The drivers that are hired to operate vehicles owned and operated by H & K Group, Inc. must comply with all DOT requirements for operating a commercial vehicle.
- b) All vehicles owned and operated must be inspected and maintained to assure that they are operating in a safe manner and comply with all DOT requirements. The operator is responsible for conducting pre and post trip inspections to assure that the vehicles are in safe and working order. Any deficiencies recognized are to be reported to the maintenance department, and addressed immediately. Any issue identified that presents a hazard or a non-compliance that cannot be immediately addressed, will be cause for the vehicle to be place out of service.
- c) Drivers are responsible to ensure that all loads are secured and have tarps in place.
- d) All vehicles owned and operated by H & K Group, Inc. is to be serviced and safety checked every 15,000 miles by a trained mechanic.

Immediate Corrective Actions/ Spill Response Procedures

In the event of a hazardous substance spill or release, immediately make all reasonable efforts to contain the spill or release to prevent materials from entering a waterway or stormwater conveyance, spreading off-site or affecting adjacent properties, or causing deleterious effects on human health or the environment.

In all circumstances caution and common sense must be maintained with the primary goal being to prevent and/or limit personal injury.

Immediate Response

- a) Assess the safety of the situation, including the risk to the surrounding public.
- b) Immediately contact the local emergency management services (*Appendix A*) if the spill or release poses a risk to the surrounding public, **if not then...**
- c) Immediately Notify H&K Group, Inc. Safety/Risk Management Team and Environmental Compliance Representatives. (*Appendix A*)
- d) If needed H & K Group, Inc. Safety/Risk Management Team will contact the local emergency management services.

Identify Source and Material

- a) Identify the chemical and its hazardous properties.
- b) Identify the source of the spill or release.

Upland Spill

- a) If safe to do so, make every effort to remove potential ignition sources and stop the source of the spill.
- b) If available and necessary berms will be constructed with equipment and spill containment products to physically contain the spill.
- c) Sorbent materials will be applied to the spill area.
- d) Contaminated soils and vegetation will be excavated and temporarily placed on and covered by plastic sheeting in a containment area a minimum of 100 feet away from any wetland or water body, until proper disposal is arranged.

Wetland or Waterbody Response

Regardless of the size, the following apply to a spill or release that occurs near or into a stream, wetland, or other body of water.

- a) If safe to do so, make every effort to remove potential ignition sources and stop the source of the spill.
- b) A spill or release that is near a body of water, if available berms and/or trenches will be constructed to contain the spill before it reaches the water.
- c) A spill or release that is near standing water booms, sorbents materials, skimmer pumps, and holding tanks will be used to recover and contain the released materials on the surface water.
- d) Spilled or released material will be collected and the affected area cleaned up in accordance with appropriate state and federal regulations.
- e) Contaminated soils and vegetation will be excavated and temporarily placed on and covered by plastic sheeting in a containment area a minimum of 100 feet away from any wetland or water body, until proper disposal is arranged.

Cleanup and decontamination measures

- a) The cleanup and decontamination of any location will be handled by one of H&K Group, Inc. Environmental Representatives, or a reputable emergency response sub-contractor.
- b) The material would be handled in accordance with the MSDS sheet and/or generator knowledge which complies with all local, state and federal regulations for disposal.

Injuries and/or uncontrolled release

If a spill or release cannot be controlled or injuries have occurred due to the release the following procedures should be implemented:

- a) Summon help or alert others of the release.
- b) Evacuate immediate area, and provide care to the injured. Call 911
- c) If potential fire or explosion hazards exist initiate evacuation procedures. Call 911
- d) Respond defensively to any uncontrolled spills:
 - Use appropriate personal protective equipment when responding to any spill.
 - Attempt to shut off the source of the release (if safe to do so).
 - Eliminate sources of ignition (if safe to do so).
 - Protect drains by use of adsorbent, booms or drain covers (if safe to do so).
- e) Notify onsite emergency contact(s).
- f) Notify other trained staff and/or **[emergency response contractor]** to assist with the spill response and cleanup activities.
- g) Coordinate response activities with local emergency personnel (fire department).
- h) Be prepared to provide MSDS information to fire department, EMT, hospital or physician.
- i) Notify appropriate agency if a release has entered the environment.

H&K Group, Inc. Driver Training Description

All employees that will operate motor vehicles, commercial and non-commercial, are required to attend an eight (hour) orientation prior to their first day of employment. The orientation includes the distribution and collection of all relevant documents related to and required for verification of Driver Qualification(s) and for Safety and Risk Management and Human Resource files.

The orientation also specifically addresses company policies on the following topics:

1. Pre-trip and Post-trip procedures.
2. Vehicle Inspection
3. Truck Bodies
4. Tarping and Load Securing
5. Hours of Service
6. Accident Reporting
7. License and Physical Qualifications
8. Traffic Citations and Violations
9. Drug and Alcohol Policies

Following orientation the driver is required to spend several days doing "ride-alongs" with experienced drivers to address task/vehicle specific topics.

H&K Group, Inc. Safety and Risk Management Department conducts driver license checks each year on all licensed drivers employed by H&K Group, Inc.

In addition, H&K Group, Inc. Safety and Risk Management Department may conduct random reviews based upon suspicion of:

- expired or suspended operator's license
- commission of a violation of law, regulation or policy

H&K Group, Inc. requires each licensed driver to complete/provide annual license review documentation.

H&K Group, Inc. Safety and Risk Management Department develops educational materials and information sheets, in response to needs or following incidents. These education modules and information sheets are disseminated by dispatchers and superintendents as "Tool Box Talks" with all drivers on a bi-weekly basis.

H&K Group, Inc. Safety and Risk Management Department tracks license information and required driver physical examination expiration dates for all employees who retain a commercial driver's license or that operate company owned vehicles (both commercial and non-commercial). All employees holding a commercial drivers license receive notification a month (30 days) in advance informing the driver of the impending expirations.

H&K Group, Inc. provides training for drivers with a Hazardous Materials endorsement(s) every three years per the requirements of the USDOT and 40 CFR, as well as providing site/materials specific training as needed.

The eight (8) hour orientation training course is taught by an outside accredited/certified instructor.

Topics covered in the training include but are not limited to:

- CSA
- Driver Safety Enforcement
- Crash Indicators
- Unsafe Driving
- Cargo
- Driver Fitness
- Vehicle Maintenance
- Controlled Substance
- Fatigued Drivers
- Road Rage

Endorsement for Motor Carrier Policies of Insurance for Public Liability under Sections 29 and 30 of the Motor Carrier Act of 1980

FORM MCS-90

Issued to H&K Group, Inc. of PA (Motor Carrier Name) (Motor Carrier state or province)

Dated at 12:01 am on this 1st Day of January 2026

Amending Policy Number: 1000673032261 Effective Date: 01/01/2026

Name of Insured Company: Starr Indemnity & Liability Company

Countersigned by: [Signature] (authorized company representative)

The policy to which this endorsement is attached provides primary or excess insurance, as indicated for the limits shown (check only one):

- Checked box: This insurance is primary and the company shall not be liable for amounts in excess of \$750,000 for each accident.
Unchecked box: This insurance is excess and the company shall not be liable for amounts in excess of _____ for each accident in excess of the underlying limit of _____ for each accident.

Whenever required by the Federal Motor Carrier Safety Administration (FMCSA), the company agrees to furnish the FMCSA a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FMCSA, to verify that the policy is in force as of a particular date. The telephone number to call is: (866) 519-2522.

Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed, proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the FMCSA's registration requirements under 49 U.S.C. 13901, by providing thirty (30) days notice to the FMCSA (said 30 days notice to commence from the date the notice is received by the FMCSA at its office in Washington, DC).

Filings must be transmitted online via the Internet at https://portal.fmcsa.dot.gov/UrsRegistrationWizard/.

DEFINITIONS AS USED IN THIS ENDORSEMENT

Accident includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

Motor Vehicle means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

Bodily Injury means injury to the body, sickness, or disease to any person, including death resulting from any of these.

Property Damage means damage to or loss of use of tangible property.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon,

Environmental Restoration means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

Public Liability means liability for bodily injury, property damage, and environmental restoration.

or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of anyone accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.
