Re: **Web Based Act 90 Authorization Submission, WH26010**

Dear Waste Hauler: Pending Application

Waste Haulers have the ability to submit New, Renewal and Addendum Authorization forms for the Act 90 Waste Transportation Safety Program by accessing the Internet through <https://greenport.pa.gov>. The web-based application enables haulers to start, save, submit and electronically pay for Act 90 Authorizations, as well as maintain a history of submitted information.

In order to access the web-based application, you will need to:

1. REGISTER: Log on to DEP's Greenport at <https://greenport.pa.gov> to register for a user name and password. A username and password combination is unique to each individual utilizing the web-based application and is not to be shared or provided to others.
2. Once registered log back on to DEP's Greenport and click the 'Request Access' button.
3. Click on 'Enroll' on the Waste Transportation Safety Program to add the application to your portal information page.
4. Click on the WTSP link to begin working with the web-based application.
5. Enclosed is a PIN. PIN's are associated to a specific hauler so that you can access saved and historic information. The unique hauler PIN can be provided to those associated to the hauler that will be submitting web-based authorizations using their own unique user name and password.

Please keep your username, password and PIN in a safe place. If you forget or lose your PIN, a new PIN will need to be generated and mailed to you. The assigned name associated with your Waste Hauler identification number (**WH26010**) is "MDJ TRUCKING SVC INC". It is very important that you use only this name on any correspondence with the Waste Transportation Safety Program. The use of any other name will cause a delay in processing.

PIN: 5270

Please be advised that DEP and the Pennsylvania State Police conduct inspections of Waste Transportation vehicles. Violations discovered during these inspections could result in penalties and/or suspensions of Waste Hauler authorizations.

Sincerely,

A handwritten signature in cursive script that reads "J. Morocco".

DEFINITION AS USED IN THIS ENDORSEMENT

Accident includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

Motor Vehicle means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

Bodily Injury means injury to the body, sickness, or disease to any person, including death resulting from any of these.

Property Damage means damage to or loss of use of tangible property.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon,

Environmental Restoration means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. Public Liability means liability for bodily injury, property damage, and environmental restoration.

or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of any one accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.
