**Endorsement for Motor Carrier Policies of Insurance for Public Liability
under Sections 29 and 30 of the Motor Carrier Act of 1980**

FORM MCS-90

Issued to AAJM TRANSPORT CORP of New Jersey
(Motor Carrier name) (Motor Carrier state or province)

Dated at 12:30 AM on this 20 day of July, 2026

Amending Policy Number: CAR2900003272-0 Effective Date: 07/06/2026

Name of Insurance Company: NATIONAL SPECIALTY INSURANCE COMPANY

Countersigned by: Max Freeman
President
(authorized company representative)

The policy to which this endorsement is attached provides primary or excess insurance, as indicated for the limits shown (check only one):

- ☒ This insurance is primary and the company shall not be liable for amounts in excess of \$ 1500000.00 for each accident.
- ☐ This insurance is excess and the company shall not be liable for amounts in excess of \$ _____ for each accident in excess of the underlying limit of \$ _____ for each accident.

Whenever required by the Federal Motor Carrier Safety Administration (FMCSA), the company agrees to furnish the FMCSA a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FMCSA, to verify that the policy is in force as of a particular date. The telephone number to call is: (855) 224-2247.

Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed, proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the FMCSA's registration requirements under 49 U.S.C. 13901, by providing thirty (30) days notice to the FMCSA (said 30 days notice to commence from the date the notice is received by the FMCSA at its office in Washington, DC).

DEFINITIONS AS USED IN THIS ENDORSEMENT

Accident includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

Motor Vehicle means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

Bodily Injury means injury to the body, sickness, or disease to any person, including death resulting from any of these.

Property Damage means damage to or loss of use of tangible property.

Environmental Restoration means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

Public Liability means liability for bodily injury, property damage, and environmental restoration.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon,

or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of anyone accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.

COMPANY DRIVER POLICY

DRIVING AND TRAFFIC VIOLATION POLICY

We deeply value the safety well-being of all employees. Due to the risk of motor vehicle accidents resulting from traffic congestion, unsafe driving habits, road conditions and distraction, **AAJM TRANSPORT CORP** has instituted a safety driving policy any rules. This safety policy applies to all employees who operate a motor vehicle on company business and/or company time, whether operating a company vehicle or personal vehicle.

Safety Rules

1. Inspect vehicles prior to use to ensure that they are in safe operating condition.

a) If a vehicle does not pass inspection, immediately notify company staff.

b) Vehicles are not be operated unless in a safe operating condition.

2. Drivers must be physically and mentally able to drive safely. Fatigue, medications, and physical injuries can affect an employee's ability to safely operate a vehicle.

3. Drivers must conform to all traffic laws and make allowances for adverse weather and traffic conditions. Speeding and aggressive behavior will not be tolerated.

4. Seat belts must be worn whenever a vehicle is in motion. **AAJM TRANSPORT CORP** recognizes that seat belts are extremely effective in preventing injuries and loss of life. It is a simple fact that wearing your seat belt can reduce your risk of dying in a traffic crash by as much as 60 percent in a truck. We care about our employees and want to make sure that no one is injured or killed in a tragedy that could have been prevented using seat belts.

Therefore, all employees of **AAJM TRANSPORT CORP** must wear seat belts when operating a company-owned vehicle, or any vehicle on company premises or on company business.

5. Cell phone usage, including texting, is prohibited while driving for company purposes.

6. Use of radar detectors is forbidden in all vehicles owned or used by the company.

7. Hitchhikers and passengers other than company employees are not permitted.

8. Cargo should be secured, and all doors should be locked, both when the vehicle is on route and when it is parked.

9. Respect the rights of other drivers and pedestrians.

10. Drivers may not be under the influence of drugs or alcohol while operating a vehicle for company purposes.

11. All traffic violations, whether on company or personal time, must be reported to the manager within 24 hours or by the next business day. CDL drivers will also be required to complete a violation review form.

12. **AAJM TRANSPORT CORP** will review motor vehicle reports annually.

13. If an employee has a change in license status, including a renewal, he or she must give a copy of his or her new license to the supervisor for the employee's file.

14. Employees are responsible for maintaining a valid driver's license.

Safety Rules Enforcement

Employees will be subject to disciplinary action up to and including termination for violating any of the above rules.

Accidents

Any employee who is involved in an accident while driving for company purposes will be required to complete an accident report on the same day to review the information to make sure it is complete. The employee must go for his or her post-accident drug and alcohol analysis at one of our designated facilities. The employee may also be required to discuss the accident with Human Resources or the safety manager.

Management will review all accidents and determine whether they were preventable or non-preventable. A preventable accident is defined as an accident in which the driver failed to do everything reasonably possible to prevent it from occurring.

Motor Vehicle Report (MVR): Standards

MVRs will be checked annually for all employees who may be required to drive for company purposes. The MVR will be reviewed to ascertain whether the employee holds a valid license and whether his or her driving record is within the parameters set by the company.

Drivers will be disqualified from driving vehicles for company purposes for any of the following reasons:

1. More than one violation for driving under the influence of alcohol or a controlled substance will result in permanent suspension of driving privileges at **AAJM TRANSPORT CORP.**
2. Any criminal conviction that involves a motor vehicle (e.g., a felony, hit and run, negligent homicide) in the previous five years.
3. Any of the following violations incurred in the previous three years:
 - a. Any combination of more than three moving violations (any violation resulting in an at-fault auto accident automatically counts as two violations)
 - b. Any violation less than three years old for an alcohol- or controlled substance-related driving offense
 - c. Refusing to take a breathalyzer test
 - d. Careless or reckless driving that results in injury to persons or property
 - e. Passing a stopped school bus.
 - f. Leaving the scene of an accident without stopping to file a report
 - g. Racing
4. Any combination of more than two moving violations and/or at-fault accidents in the past 12 months

POLICY DRIVER RECEIPT

I acknowledge receipt of the **AAJM TRANSPORT CORP** Driving & Traffic Violation Policy.

I have read, understand, and agree to the terms set forth in this Driving and Traffic Violation policy .

Safety and compliance (Drivers responsibilities)

Due to recent DOT violations and a severe impact on Safety Rating, **AAJM TRANSPORT CORP** is putting into effect company fines for any violations due to driver negligence. Fines will reflect on any violations on Driver Vehicle Inspection Report. Fines could range from \$25 and up to \$300 (depending on the severity of the violation). Will not tolerate any driver that is not performing his duties in a safe and professional manner.

If a driver is fined, it will be deducted from the following week payroll, NO EXCEPTIONS. If a driver gets another violation after he was already fined from a previous violation, driver will be terminated immediately. If a driver is involved in an accident, and it is proved to be the driver's fault, driver will be terminated.

Also, a monthly safety bonus will be rewarded every month for drivers who perform their duties in a safe and professional manner. Meaning, maintaining their trucks clean, reporting any repairs needed and makes sure it's repaired. Have proper equipment, such as hard hat, safety shoes, and vest at all times. No violations that month.

Every day, a proper PRE-TRIP is required and MANDATORY. Pre-Trip inspections includes the following: Make sure all lights are working (headlights, turn signals, overhead lights, license plate light, etc.), make sure tires are properly inflated and in good condition. Wipers are in working order. Horn works. Windshield is clean and clear. License plate is clean of any dirt and is visible. Make sure your fire extinguisher is charged and secured. This takes 5 minutes to do, this is mandatory, failure to comply will result in termination.

Let's all work together and make a difference in bringing our Safe Score down. If any questions, please do not hesitate to come and talk to me.

5-All drivers are familiar with the conditions of the solid waste transporter's permit.

DRIVER TRAINING

All drivers will have Class A or Class B CDL license. All drivers review the FMCSA share the road safely truck and bus driver tips annually and sign and date the documents as a read and acknowledge. Documents are stored in the cab of the vehicle as well. Drivers shall review the DOT Motor Carrier Safety Regulations. FMCSA will also conduct safety audits.

I work with my insurance carrier to verify driving records. If a driver were to obtain a moving violation there would be a formal meeting held with the driver reviewing the incident and written warning which the driver and president of the company will sign stating if a second violation is received they will be terminated from the company. They are responsible for making payment on the violation as well and attending a motor vehicle training class.

Driver(s) will ensure vehicle transporting solid waste is covered to prevent discharge or release of solid waste to the environment. Waste will be disposed of at approved facilities as in attached facility list. The driver(s) shall maintain a log of shipments which will also be utilized for annual reporting to Delaware. The driver(s) shall coordinate the schedule for truck arrival and material deliveries at the facility. The delivery shall be compatible with the availability of equipment and personnel for material handling operations at the job site. The driver(s) shall inspect all vehicles leaving the site to ensure that contaminated soils adhering to the wheels or undercarriage are removed prior to the vehicle leaving the site. The driver(s) shall not deliver waste to any facility other than the disposal facility(ies) listed on the shipping manifest. The driver(s) shall ensure that trucks are protected against contamination by properly covering and lining them with compatible material or by decontaminating them prior to any use other than hauling contaminated materials.

All drivers review the spill control plan, sign and date as training records of a read and acknowledge training session. Spill control plan is retained in the cab of the vehicle. In addition, all vehicles will carry safety equipment as per Motor Carrier Safety Regulations DOT 49 CFR.

Driver(s) will review the 1301 Regulations Governing Solid Waste to ensure familiarity with conditions of permit.

Good morning, DaQuan Davis,

Thank you for bringing these items to my attention, and I apologize for the oversight. Yes, please include soils for Clean Earth New Castle on our permit. We do hold a 364 permit, and the number is NJ-1141. I will provide the registration information for the four trucks we operate so you can review them.

Thank you for your assistance.

best regards,
Evelyn Vergara
