ADDITIONAL REMARKS

THIS ADDITIONAL REMARKS FORM IS A SCHEDULE TO ACORD FORM,

FORM NUMBER: 25 **FORM TITLE:** CERTIFICATE OF LIABILITY INSURANCE

Pursuant to instructions from our insured, please find the attached Certificate of Insurance ("COI"). This certificate is issued strictly as a matter of information only and confers no rights upon the certificate holder. It does not amend, extend, modify, or otherwise alter the terms, conditions, limitations, or exclusions of the insurance policies referenced.

No Coverage Binding Authority

This agency does not have authority to alter, expand, or guarantee coverage by issuance of a certificate. Coverage can only be provided, modified, or confirmed by the insuring carrier through the actual policy or an approved endorsement. No statement on this certificate creates coverage where none exists in the policy(ies).

Clerical Errors / Misstatements

If any error, omission, or inaccuracy appears on the certificate—including but not limited to the listing of any person, driver, vehicle, location, or additional insured status—such error does NOT create or imply coverage, nor does it obligate the insurer or this agency to provide coverage. Any unintended or incorrect information is considered a clerical error only and is subject to correction. Coverage is determined solely by the policy as issued by the insurer.

Insured's Responsibility for Policy Changes

All requests for changes to the policy—including adding or removing drivers, vehicles, locations, additional insured status, or waivers of subrogation—must come directly from the named insured in writing. If you require confirmation of such changes, please contact the insured, not this agency.

Additional Insureds, Waivers & Contract Requirements

If your contract with the insured requires special provisions (e.g., Additional Insured status, Hold Harmless agreements, Primary/Non-Contributory wording, Waiver of Subrogation, etc.), the policy must be endorsed by the insurer. A statement on a certificate does not confer rights in lieu of endorsement(s). Please notify the insured and this agency immediately if your contract requires changes not reflected in the underlying policy.

Prohibition on Alteration

It is illegal to alter, amend, or modify this certificate in any way. Any alteration may constitute fraud and may be punishable by law.

No Warranty of Sufficiency

No representation is made by this agency or the insurer regarding the adequacy, sufficiency, or compliance of the insurance coverage described herein with the requirements of any contract, agreement, or expectation of the certificate holder.

Not a Contract

This certificate does not constitute a contract between the insurer, the producer/agent, or the certificate holder and does not affirmatively or negatively amend, extend, or alter the coverage afforded by the policies listed.

The issuing agency assumes no duty to advise, monitor, review, or update this certificate or the underlying policy(ies) beyond the responsibilities imposed by state law or the insurer.

DEFINITIONS AS USED IN THIS ENDORSEMENT

Accident includes continuous or repeated exposure to conditions or which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

Motor Vehicle means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

Bodily Injury means injury to the body, sickness, or disease to any person, including death resulting from any of these.

Property Damage means damage to or loss of use of tangible property.

Environmental Restoration means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

Public Liability means liability for bodily injury, property damage, and environmental restoration.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration (FMCSA).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon,

or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of anyone accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.
