REF: **DELDOT CONTRACT T201612501
SR 1 MINOS CONAWAY GRADE SEPARATED INTERSECTION
INTERSECTION OF SR1/MINOS CONAWAY, SR1/JANICE ROAD,
SR1/NASSAU RD. IN LEWES DE**

To Whom it May Concern:

The Sussex County Engineering Department has reviewed and approved design plans prepared by Century Engineering, LLC for the relocation of a portion of our sewer facilities in connection with the referenced DelDOT roadway improvement project. Relocation of our sewer facilities will not result in additional flows to our downstream sewer network or our Wolfe Neck Regional Wastewater Facility.

The approved design plans include detailed sequence of construction for sewer pipe relocation and Sussex County will provide inspection and coordination assistance to DelDOT's Contractor as needed during construction.

Sincerely,

SUSSEX COUNTY ENGINEERING DEPARTMENT
