---

Good morning,

Cattail Creek subdivision received Kent County final approval for a major subdivision on 12/13/2007 and was recorded 2/6/2008 for a 271 lots. The subdivision was later revised and recorded on 8/11/2020 for 175 single family dwellings. The subdivision is zoned AC inside the growth zone.

Have a great day,  
Jamie

**Subject:** Cattail Creek Zoning Verification

Good morning again Jamie,  
As part of the DNREC Wastewater Collection Permit application, DNREC requires verification from Kent County that Cattail Creek (parcel SM-00-131.00-01-01.00-000) has the proper zoning approval. Could you please verify this, and I will forward it along to DNREC?

Thank you,

---
