Cover Letter

Doug and Tina Detwiler

Marine Permitting & Consulting, LLC is pleased to apply for the construction of a new dock on behalf of Doug and Tina Detwiler. There is an existing dock on the property; however, the depth at the channelward edge of the dock is only 13 inches at low tide. Constructing the proposed, longer dock will allow 24 inches at low tide. The Detwiler's would like to keep the existing dock as it is ideal for launching kayaks, paddleboards, and canoes because the creek bottom is firm at the edge of this dock making getting in and out of these convenient. The application package was submitted to the Winding Creek Village Board of Governors and they approved the project; a copy of the approval letter is included. Within the package you will find the following:

I am requesting the authorization be sent to me for distribution.

RE: Application for Dock, Boat Lift, and Pier
17 Creek Dr, Millsboro, DE 19966

Dear Doug and Tina,

The Board of Governors of the Winding Creek Village Property Owners' Association has approved your application to be submitted to DNREC for a new dock, boat lift, pier, and maintenance of the current dock for the property located at 17 Creek Drive.

If you require any additional information on this matter, please do not hesitate to contact us at wcvbog@windingcreekvillagepoa.org. If there are any changes or variations to this plan, we will need to be advised for further review.

Kind Regards,
Board of Governors

An aerial photograph of a residential neighborhood. A large, dark lake occupies the bottom-left portion of the frame, with several wooden docks extending into the water. The surrounding area is filled with houses of various styles, mostly with grey or brown roofs, and green lawns. A road winds through the neighborhood. A red star marker is placed on a house, with the name 'Detwiler' written in yellow text above it.
