

## START ACTION NOTICE (SAN)

SAN # 2025-14

DOCKET # 2025-R-WSS-0024

1. TYPE OF ACTION AND THE REGULATION NUMBER AND NAME:

Amend the regulations governing beach protection and the use of beaches (7 admin. Code chapter 5102)

2. PURPOSE OF ACTION:

The proposed amendments are intended to enhance the effectiveness of the Coastal Construction Program and strengthen the protection of Delaware's the beach and dune system. The revisions will clarify ambiguous sections of the regulations, provide more precise definitions where applicable, and ensure the regulatory frameworks reflects current shoreline conditions by updating the Building Line, a setback from the seaward toe of the dune used to permit construction activities on the beach and dunes, last set in 1981. Remapping the Building Line to reflect shoreline changes over time will better safeguard the state's coastline and coastal communities.

3. STATUTORY BASIS:

*Title 7, Delaware Code, Chapter 68 (The Beach Preservation Act)*

4. IS THIS PROPOSED REGULATORY ACTION REQUIRED AS A RESULT OF FEDERAL STATUTE OR REGULATION? IF SO, PROVIDE LINK TO FEDERAL MANDATE.

No

5. DATE OF MOST RECENT AMENDMENT/REVIEW (indicate if review was pursuant to 29 Del.C. §10407):

Content last updated August 1, 2016. Grammatical corrections made April 1, 2017.

6. LIKELY AFFECTED PUBLIC:

- Individuals and Entities owning property in the defined beach area (from the Delaware/Maryland line at Fenwick Island to the Old Marina Canal immediately north of Pickering Beach, which extends from the mean highwater line of the Atlantic Ocean and Delaware Bay landward 1,000 feet and seaward 2,500 feet.)
