

High School and Middle School Air Quality Education Program

Acknowledgements

The Delaware Department of Natural Resources and Environmental Control's Air Quality Management Section gratefully acknowledges the following agencies/organizations whose air quality educational materials served as models and inspiration for the development of Delaware's Air Quality Curriculum:

American Lung Association, Delaware Chapter
Ventura County Air Pollution Control District
Pima County Air Pollution Control District
Air & Waste Management Association
Texas Department of Natural Resources

The individual activities and supplementary readings contain specific acknowledgements as to the source. In most cases they have simply been modified to be Delaware specific from one of the above sources. The use of the materials is greatly appreciated.
