Additional Information

- The primary account should be established by the owner or highest-level administrator associated with DNREC matters at your organization.
 - This account may be edited, but not removed from the organization's account.
 - Once set up in Digital DNREC, the "owner" role/user can create and manage other users within the organization's Digital DNREC Enterprise account. The Manager and Associate role users, which you create, can access your organization's Digital DNREC account on your behalf. Please remember to set the permissions for each user.

Help

- If you have trouble logging in after you have set up your credentials:
 - Check the Business ID you entered is the same as was provided to you in the “Welcome Email.”
 - Check the email you entered is the same address the “Welcome Email” was sent to.
 - Use the “eye” icon to check the password you entered is correct.
 - The *Forgot Password* link, located just under the password field, will send an email to the user with a link to reset the password.
- Digital DNREC is a project of the State of Delaware’s *Department of Natural Resources and Environmental Control* (DNREC).
 - For customer support related to your business account with DNREC, email: [DNREC Enterprise Account Support](#).
