To: Krall, Kyle (DNREC) <Kyle.Krall@delaware.gov>; Collins, Rich G (LegHall) <Rich.Collins@delaware.gov>

We are writing to inquire if there is any action on stopping this "policy" in 2035 and taking it from the books. We totally oppose any requirement like this as it is financially impossible for the average person and a great burden on businesses that need vehicles and equipment to perform their jobs. Please make a public statement when this is no longer a consideration and ceases to exist. Thank you, Gertrude Springer Lewes, DE
