Subject: Electric vehicles-mandate

Shawn,

Myself and many of my friends and relatives who live in this great state DO NOT want our government dictating to us what kind of vehicle to buy. I have no problem with electric vehicles, but strongly oppose a mandate banning the use of gas powered vehicles by any date, no matter how far out it may be.

Please DO NOT SUPPORT SUCH ACTION.

Thanks for all you do,
George Walsh, a resident since 2013
