Subject: Electric Vehicle Mandate

Dear Secretary Garvin,

I write to you because I am opposed to the mandate regarding electric vehicles.

I love our environment too, but am not convinced that electric cars are better for the environment, after you consider the impact of mining and the serious environmental waste that results from the batteries that cannot be recycled.

Also, I live in Sussex County and worry if we have to evacuate, that I will run out of power before I can get to safety.

I urge you to reconsider the electric vehicle mandate. It will cost me my freedom to travel with my family and cost me more than my income can afford.

Sincerely,

Linda Massino
