My wife and I are against the Democratic Party's attempt to forceably tell us we can not purchase a gas powered vehicle in the future. Where are our rights if we are told we are unable to choose the type of vehicle we want to purchase.

We all know that climate change is a hoax. The climate is cyclical. When you get the biggest offenders of air pollution such as China and Russia then speak to me about clean air.

Our Delaware officials President, Senators, and Representative are a disgrace to the State and country.
