To: Krall, Kyle (DNREC) <Kyle.Krall@delaware.gov>

I am disgusted with this proposal and can't support at all. I don't know who is driving this proposals but it sure seems like all the facts around this issue aren't being considered. Only looking at the facts that proposing groups wants and not the downside of the proposal. Just typical of what is going on today.

Also seems to being down on the hush hush to so the total public doesn't know what is going on. Just dirty politics
