To: Krall, Kyle (DNREC) <Kyle.Krall@delaware.gov>

To whom it mat concern, I feel very disrespected by not having a choice of what kind of vehicle I will be able to own in the next few years. My children and grandchildren should have the chance to decide what they want and can afford to drive. I wish I could understand why we no longer have a chance to voice our opinion or a chance to vote on this matter. Respectively Karen Yost
