Hi Kyle. I am emailing to my concerns about Alternative to proposed Amendments to 7 DE. Admin Code 1140.

I am asking for DNREC to petition the EPA to remove New Castle County from the Greater Philadelphia Non-Attainment area, a process that has already been done in Kent and Sussex Counties. All of Delaware Counties are in attainment compliance already.

With the economy the way it is, residents of Delaware won't be able to afford electric vehicles. In fact just today, a professional in my office complex had to drive his 1990 gas guzzeling, rusted out truck to work. The reason, his Tesla wasn't charging properly!!!
