

Revised 02/21/2023

State of Delaware
Department of Natural Resources & Environmental Control Division
of Water/Surface Water Discharge Section/Industrial Storm Water
89 Kings Highway Dover, DE 19901
(302) 739-9946

Notice of Termination (NOT) under NPDES General Permit Coverage for Industrial Stormwater Runoff

Coverage under this Subsection continues until a completed Notice of Termination (NOT) form has been submitted to, and formally approved by, the Department, in instances when a Notice of Intent (NOI) or No Exposure Certification (NEC) was originally submitted to the Department. The NOT shall be submitted on a form provided by the Department. Failure to submit a complete and accurate NOT form will result in the facility being denied termination under this Subsection.

Section 3: Reason for Termination (check all that apply) – Provide evidence for the reason on a separate page

- a. You transferred operational control to another operator
- b. You no longer have a stormwater discharge associated with industrial activity subject to regulation under the NPDES program
- c. You have obtained coverage under an alternative NPDES permit

Section 4: Certifier Name and Title

I certify under penalty of law that I have met at least one of the reasons for terminating permit coverage listed in Section 3 above. I understand that by submitting this Notice of Termination, I am no longer authorized to discharge stormwater associated with industrial activity under this general permit, and that discharging pollutants in stormwater associated with industrial activity to waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by a NPDES permit. I also understand that the submittal of this Notice of Termination does not release an operator from liability for any violations of this permit or the Clean Water Act.
