RE: Approval of Tower's Concrete's riser flanged distribution box lid

Dear Mr. Short,

The Division of Water Resources has received and reviewed your request to approve Tower's Concrete's riser flanged distribution box lid for use in Class B designed on-site wastewater treatment and disposal systems in Delaware. We are pleased to inform you that we are able to **approve** the distribution box lid referenced above, provided that they are installed in accordance with the manufacturer's installation instructions and specific permit conditions.

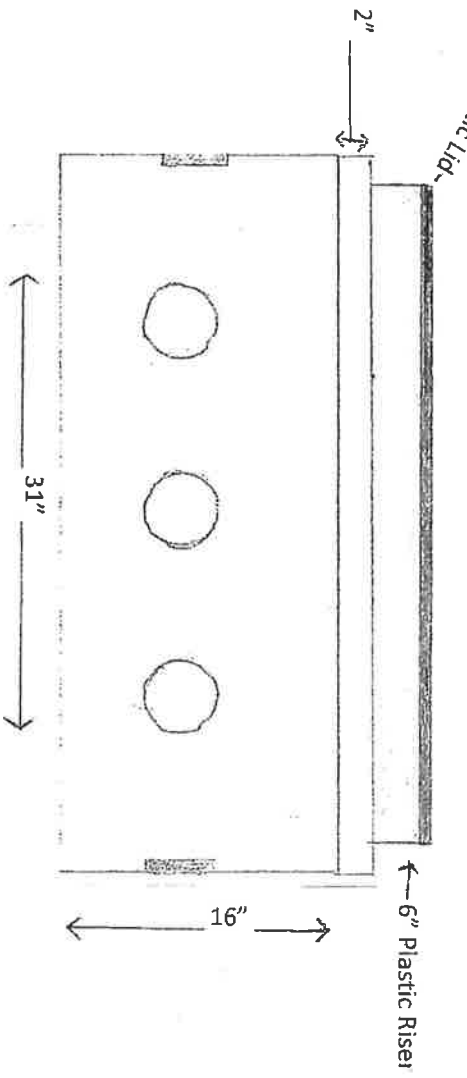

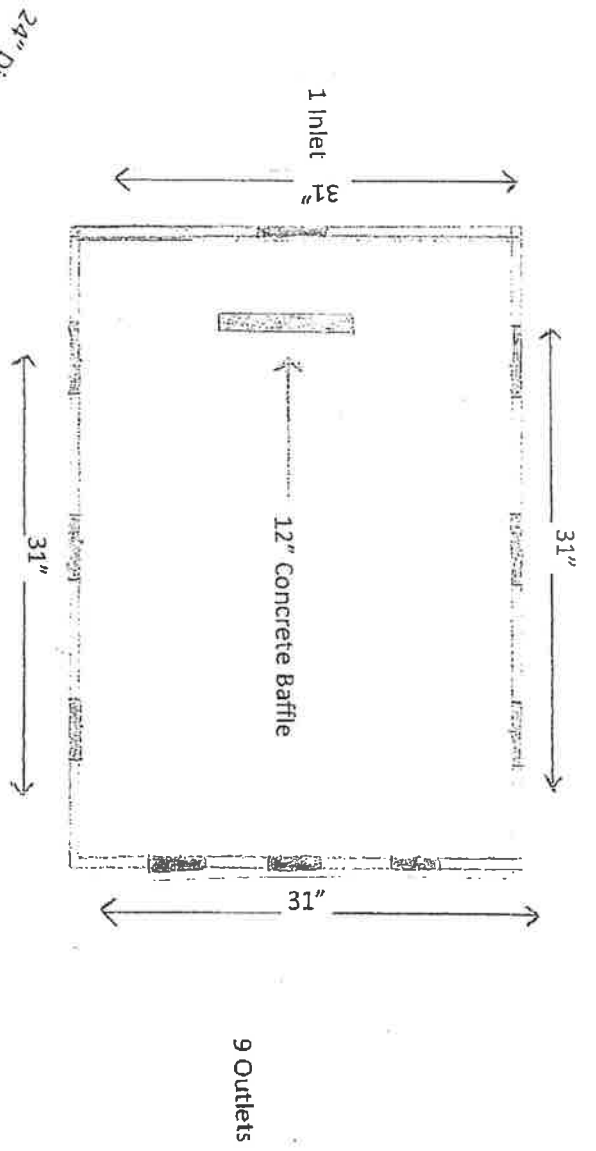

If you have any other questions please contact me at 856-4561.

Sincerely,

A handwritten signature in blue ink that reads "James Cassidy".
