RE: Approval of Infiltrator Quick 5 Standard Chamber

Dear Ms. Moskovets,

The Residential Services Section has received and reviewed your request to approve the Infiltrator Quick 5 Standard chamber. We are pleased to inform you that we are able to **approve** the leaching chamber referenced above, provided that it is installed in accordance with the manufacturer's installation instructions and specific permit conditions. The Division of Water Resources approves the use of the Quick 5 Standard chamber at a 75% equivalent sizing per manufacturer's recommendations for trench and bed applications.

If you have any other questions, please contact me at (302) 739-9947.

Sincerely,

A handwritten signature in cursive script that reads "Scott Eichholz".
