

PRELIMINARY MARINA SCREENING CHECKLIST

(To be submitted at least one week prior to the pre-application meeting)

* Provide the following information and/or answer the following with regard to the proposed marina project:

- | | |
|---|--|
| 1. Applicant's (Property Owners) Name
Address: _____

_____ | Telephone Number
Home (): _____
Work (): _____ |
|---|--|

Project Name: _____

2. Provide an aerial photograph of the site, if available.
3. What are the existing land uses on the site?
4. What are the existing land uses on adjacent properties within 1000 feet of the proposed marina or marina alteration, including the opposite shore?
5. Name and distance of nearest municipality.
6. Is the proposed project an open water or enclosed basin marina?
 Open water Enclosed basin
7. Is the marina on a creek, river, or open bay? Name of the water body?
8. Indicate the number of wet slips. Proposed _____ Existing _____
9. Indicate the number of dry stack spaces. Proposed _____ Existing _____
10. Will the proposed marina or marina alteration require dredging?
 Yes No
 If yes, approximate the amount in cubic yards. _____ cubic yards
11. If the project requires dredging, do you own or have access to an upland site for dredged material disposal? _____
 Yes No If yes, where is it located?
12. If not, how do you propose to dispose of your dredged material?
13. How many years of maintenance dredge spoil capacity does the spoil site possess?
 _____ Years

14. Will the proposed project require the use of any State wetlands? ____ Yes ____ No If yes, approximate the amount of wetlands required in acres and the intended use.

15. What is the tide range at the marina site? Normal tide ____ Neap tide ____
What is the source of this information?

16. What is the approximate MLW depth at the marina site? ____ Ft.
What is the source of this information?

17. If the site includes residential development, indicate:

Number of units platted _____

Length of shoreline owned _____

Acreage of upland property _____

Indicate the number of on-site parking spaces for:

	cars	trailers	cars with trailers	oversize vehicles
Proposed				
Existing				

18. What utilities will be provided on or in the marina or dock area proper? Be specific, e.g. fuel, electricity, sewage pump-out, water, etc.
