Permittee Certification

Certification Statement for Continued Coverage Under the 2026 Delaware Construction General Permit

I certify under penalty of law that I am the owner/operator of the construction activity previously authorized under the 2021 Delaware National Pollutant Discharge Elimination System Construction General Permit (NPDES CGP), and that I am requesting reauthorization of this activity for continued coverage under the 2026 Delaware CGP, effective as of March 11, 2026.

I certify under penalty of law that this document was prepared by me or under my direction or supervision in accordance with a system to ensure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I have no personal knowledge that the information provided is other than true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I certify under penalty of law that I have read and understand the terms and conditions of the Delaware National Pollutant Discharge Elimination System (NPDES) Special Conditions for Stormwater Discharges from Construction Activities, and will fully comply with all applicable terms, conditions, requirements, and obligations of the 2026 Delaware NPDES CGP.

Certification of Co-Permittee

Certification Statement for Continued Coverage Under the 2026 Delaware Construction General Permit

I certify under penalty of law that I am the owner/operator of the construction activity previously authorized under the 2021 Delaware National Pollutant Discharge Elimination System Construction General Permit (NPDES CGP), and that I am requesting reauthorization of this activity for continued coverage under the 2026 Delaware CGP, effective as of March 11, 2026.

I certify under penalty of law that this document was prepared by me or under my direction or supervision in accordance with a system to ensure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I have no personal knowledge that the information provided is other than true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I certify under penalty of law that I have read and understand the terms and conditions of the Delaware National Pollutant Discharge Elimination System (NPDES) Special Conditions for Stormwater Discharges from Construction Activities, and will fully comply with all applicable terms, conditions, requirements, and obligations of the 2026 Delaware NPDES CGP.
